SB2729

Submitted on: 2/6/2014

Testimony for TIA on Feb 6, 2014 13:16PM in Conference Room 224

Submitted By	Organization	Testifier Position	Present at Hearing
Cara Kimura	Individual	Oppose	No

Comments: Despite already having a law on the books that prohibits the use of mobile telephone devices while driving, I still see numerous drivers -- and bicyclists -- talking on a cellphone, without a handsfree device, and operating their vehicle or bicycle in a dangerous manner. This bill will make it more difficult to prevent distracted driving because it provides a loophole to use a mobile phone and drive.
