State Capitol, Conference Room 414

Chairs Espero and Wakai, Vice Chairs Baker and Nishihara, and Members of the Committee:

The Department of Public Safety (PSD) **supports** this bill, which will create a working group to analyze the capitol district security infrastructure and develop a plan to create an integrated camera surveillance system. The Sheriff Division's Dispatch Center currently monitors cameras within the State Capitol. A comprehensive evaluation of the security posture of state facilities in the Civic Center is needed to leverage current technologies that reduce manpower requirements, in order to provide a cost effective solution to infrastructure and public security.

Thank you for the opportunity to present this testimony.
