**TESTIMONY ON SB3090 RELATING TO HUNTING**

By DAYTON M. NAKANELUA,  
State Director of the United Public Workers,  
AFSCME Local 646, AFL-CIO ("UPW")

My name is Dayton M. Nakanelua and I am the State Director of the United Public Workers, AFSCME, Local 646, AFL-CIO (UPW). The UPW is the exclusive representative for approximately 14,000 public employees, which include blue collar, non-supervisory employees in Bargaining Unit 1 and institutional, health and correctional employees in Bargaining Unit 10, in the State of Hawaii and various counties. The UPW also represents about 1,500 members of the private sector.

The UPW supports SB3090, which makes an appropriation to implement a statewide hunter education program and develop shooting ranges.

Many local families depend on hunting as a means of feeding their families, especially on the Neighbor Islands.

We humbly ask that the committee pass this measure.

Thank you for this opportunity to testify.
