Comments: strongly OPPOSED to this bill. It is misguided.

Comments: Although e-cigarettes/vaping/e-liquid vaporizers have been removed in SD1, there is no positive protection for them, and they could be classified "as tobacco" by other legislation. Vaping absolutely must NOT be banned in peoples' residences. I encourage either not advancing his bill, or at the very least explicitly exempting vaping. It is a terrible idea to ban vaping in homes.
