## Legislative Testimony

---

Testimony Presented Before the  
Senate Committee on Higher Education  
Tuesday, March 18, 2014 at 2:45pm

By Dr. Jan Javinar  
Interim Associate Vice President for Student Affairs

SCR 38/SR 13 – URGING THE BOARD OF REGENTS OF THE UNIVERSITY OF HAWAII NOT TO RAISE STUDENT FEES TO BALANCE THE BUDGET OF THE UNIVERSITY OF HAWAII ATHLETICS DEPARTMENT OR BUDGET DEFICIT OF ANY OTHER DEPARTMENT OF THE UNIVERSITY OF HAWAII.

Chair Taniguchi, Vice Chair Kahele, and Members of the Committee:

The University of Hawai‘i supports the intent of SCR 38/SR13 urging the Board of Regents to not raise student fees to balance the budget of the University of Hawaii’s Athletics Department or the budget deficit of any other University department.

Mandatory student are used to support the co-curriculum on the various University campuses to foster a vibrant student life and to promote an enriching student educational experience outside of the classroom. These fees are used to support a variety of co-curricular student programs, activities, and services. These co-curricular programs include student publications such as the campus newspaper, a student literary magazine, e-publications, etc.; student government and advocacy; a locus, facility, or center where conveniences and amenities are offered as a gathering place for campus community members to interact; and student broadcast such as a campus radio station, public TV programs and other film-making projects which afford students to demonstrate creative scriptwriting, program editing, broadcast reporting, etc.

Mandatory student fees are also assessed to support essential on-campus services such as student medical and mental health services, transportation services including subsidized public transportation, access to computing and other technology centers to aid in students’ academic endeavors, and intercollegiate athletics which provide educational opportunities for student competitors while strengthening ties with the communities and our state.

In nearly all cases, mandatory student fees are initiated by the campus student government or other student governance group after a thorough process of consultation with their student constituencies who will pay the fees. Where students see a need for programs or services, they have historically been willing to “tax” themselves for the benefit of a quality campus life. This practice has been in place for nearly six decades.

According to UHM Athletic Director Ben Jay, “the idea of raising the student athletics fee to balance our athletics budget is not under consideration and has not been proposed to the UH Board of Regents.”

Thank you for the opportunity to testify on SCR 38/SR 13, the intent of which the University supports.

Committee on Higher Education

Written Only-Support

SCR 38-URGING THE BOARD OF REGENTS OF THE UNIVERSITY OF HAWAII NOT TO RAISE STUDENT FEES TO BALANCE THE BUDGET OF THE UNIVERSITY OF HAWAII ATHLETICS DEPARTMENT OR BUDGET DEFICIT OF ANY OTHER DEPARTMENT OF THE UNIVERSITY OF HAWAII.

Chair Taniguchi, Vice-Chair Kahele and Members of the Committee:

My name is Ashley Henion and I am writing in support of this resolution. As a student at UH-West Oahu, I just recently learned that I was paying for fees to pay for services that were not available. I raised that question with my friends and only when it hit the media with my state senator, Donna Mercado Kim raising the issue was something done.

I believe this resolution is along the same line. Why should I pay additional fees to pay for UH's inability to balance its own budget? I am working to put myself through school and any additional fees or increases will be a burden to me.

Thank you for allowing me to testify.
