March 21, 2014
1:05 p.m.
State Capitol, Room 225

S.C.R. 56
AUTHORIZING THE ISSUANCE OF A LEASE COVERING A PORTION OF STATE
SUBMERGED LANDS AT PIERS 24 TO 26 IN HONOLULU HARBOR, OAHU, FOR
PACIFIC SHIPYARDS INTERNATIONAL

Senate Committee on Water and Land

The Department of Transportation (DOT) provides the following comments on this resolution to authorize the issuance of a lease covering State submerged lands at Piers 24 to 26 in Honolulu Harbor to Pacific Shipyards International (PSI).

We believe that this resolution is premature as any action that proposes the use of State lands and/or State funds triggers the requirements of Chapter 343, Hawaii Revised Statutes. Further, administrative action to issue a lease for the proposed ship repair facility has not been brought before the Board of Land and Natural Resources for its deliberations.

Presently, the Kapalama Container Terminal and Tenant Relocations, Second Draft Environmental Impact Statement (DEIS) is under environmental review and only after the Final Environmental Impact Statement (FEIS) has been accepted may any proposed lease action be implemented.

Thank you for the opportunity to provide testimony.

ann chung	Pacific Shipyards International	Support	Yes

Comments: We are in FULL SUPPORT of SCR56. Pacific Shipyards International (PSI) has operated a commercial ship repair facility in Honolulu Harbor since 1920 and our tax revenues and 200+ high-paying jobs are important to Hawaii's economy, maritime community, and port security. Hawaii's marine industry needs and desires PSI's drydock facility in Honolulu Harbor, the state's only drydocks capable of servicing inter-island cargo fleets. There are no replacement companies and Hawaii-based vessels will be forced to go to the mainland for drydocking, significantly increasing costs to Hawaii taxpayers. PSI provides essential drydocking capability for Hawaii at large capital and operating costs. PSI is being forced by the State to move out of Pier 41 and relocate to Piers 24-26 and submerged lands for the property bound by Piers 24-26 are needed for shipyard drydock operations and vessels under repair as part of the lease agreement. Submerged lands are central and necessary for our operations.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
