Comments: March 31, 2014 Chair Dela Cruz Committee on EGH; Chair Hee on JDL/Labor Committee; and Members: I apologize for this late testimony but when I read the gutted SCR92 resolution to a proposed SD1 for an audit of the DLIR, I was extremely disappointed and taken aback to have an internal matter of personnel actions taken to the Legislatuer to resolve. This is like using a a basebasll bat to kill a fly when a fly swatter is simple enough. It is an over kill for an apparent over work condition. Management is responsible to resolve the issue. And they can and will resolve this within the administrative process according to law and any related collective bargaining agreement. Please hold SCR92 Proposed SD1. Thank you. Al Lardizabal Hawaii laborers' Union
