SUBJECT: FY 2016 GIA Application

Attached you find Susannah Wesley Community Center's application for the FY 2016 Grant-In-Aid program, entitled Kalihi Palama School's Out Project.

#### **Application for Grants and Subsidies**

If any item is not applicable to the request, the applicant should enter "not applicable".

#### I. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Include the following:

#### A brief description of the applicant's background;

Susannah Wesley Community Center began with the outreach work of a single Home Missionary in 1899, giving desperately needed English language and sewing lessons to immigrants in the plantation community of Waipahu. In 1903, the Susannah Wesley Home was established for abandoned and orphaned children of plantation workers. In 1919, the Home moved to its present site in Kalihi where it cared for over 100 children at any one time. Responding to a decreasing need for orphanages, the Susannah Wesley Home in 1956 converted into a treatment center for young children with serious emotional and behavioral problems. Difficulty with funding and finding qualified workers forced the treatment center to close in less than a year.

From its modest beginnings, the Susannah Wesley Community Center developed a focus on services to youth and immigrants, later expanding to include services to the elderly, the poor, and, the disadvantaged.

#### Services to Youth and Families

The agency reorganized in 1957 into a community center with a nursery school, playground, after-school boys and girls clubs, and adult English classes. Through the last four decades, the Center has remained in the forefront of youth issues as an innovator and leader in youth services and advocacy. In 1964, it established outreach programs connected to the War of Poverty with Head Start classes and study halls in public housing facilities and neighborhood schools. It pioneered outreach-counseling programs in the 1970s for youth and families to help combat juvenile delinquency, runaway, truancy, and family breakup. In the 1980s, it began alcohol and substance abuse services and programs to fight the growing trend in juvenile gang violence. In 1994, it implemented mental health treatment services to immigrant adults and to youth and families.

Today, Susannah Wesley Community Center continues to develop innovative and effective projects to service youth. The newest program is the Kalihi-Palama Juvenile Assessment Center, which is a citation diversion program. The project will receive youth arrested by the police for "status offenses" and first-time minor law violations. The goal of the project is to divert and reduce the number of youth from

entering the juvenile justice system, by providing multiple opportunities for learning, reflection and positive development in a family-centered and youth-driven process.

#### · Services to Immigrants and Refugees

In 1967, three years after the outreach program to youth and families began, the present building was completed and outreach services increased to include immigrants arriving from the Pacific Basin. In 1975, an immigrant services program was established in the Hui Kokua Department of Kuhio Park Terrace. The program later moved to the Center's main site on Kaili Street to meet its growing needs. A Waipahu program office was established in 1986 through a joint effort with the Catholic Immigration Center. In 1990 and 1993, respectively, two bilingual outreach programs were created to provide mental health services to immigrants and refugees. Though organized under a separate department, the Immigrant and Refugee Support Services Program complements and supports the family development program for immigrants. The language capability of the Center includes Tagalog, Ilocano, Vietnamese, Cantonese, Korean, Laotian and Samoan.

Since 2007, SWCC has been providing support and case management services to victims and survivors of human trafficking (labor and minors in sex trade). Our Immigrant Resource Center (IRC) was established in 2014, designed as a cross cultural hub to help newcomers obtain basic information about a variety of health and human service programs and assist in acculturation into American society. In 2015, the IRC will expand the IRC's services to support youth who may eligible for the Deferred Action for Childhood Arrivals (DACA) as a connector and guide through the screening and application process.

#### Services to the Poor

Each year Susannah Wesley Community Center continues to provide assistance to the poor, homeless, and needy by distributing thousands of dollars worth of donated items and services.

Hui Kokua provides adult education classes and services to meet basic human needs, such as an emergency food pantry, household items and clothes bank, and others, at the Terraces at Kuhio Park (formerly known as Kuhio Park Terrace). Staff actively participates with other on-site agencies in providing community events and support services. Susannah Wesley Community Center is a member of the Kuhio Park Terrace Family Center.

#### · Services to the Elderly

In the Kalihi neighborhood, there are many senior citizens who live in care homes or who are handicapped or isolated. Many also live in poverty or have mental illnesses. Susannah Wesley Community Center offers a safe haven for the elderly.

The Seniors Program, initiated in the 1970s, provides seniors citizens with opportunities to socialize and participate in activities such as excursions, making crafts, singing, exercising, learning about their health, and other fun events.

The main site of the Susannah Wesley Community Center is located within the Kalihi-Palama community. The agency is affiliated with the United Methodist Church and is a member agency of Aloha United Way. Susannah Wesley Community Center maintains an independent board of directors and a separate status as a non-profit, tax-exempt, IRS 501 (c)(3) organization.

#### 2. The goals and objectives related to the request;

#### The public purpose and need to be served;

In response to community needs and the overwhelming numbers of at-risk youth in the Kalihi community, SWCC continues to partner in collaboration with a myriad of service providers to support our youth, our families and our community to develop skills and abilities to overcome challenges in their lives. Through strong collaborative partnerships, we can lead positive change in our community. Kalihi youth are frequently overrepresented in the juvenile justice system, at-risk for participation in gangs, substance abuse, other risky behaviors, and are more likely to fail in school than youth in other areas. Positive alternative activities, engages youth, develops strengths, teaches important life skills, and cultivates talents so youth will be better equipped with the competencies and skills to be productive and effective members of the community.

#### 4. Describe the target population to be served; and

SWCC is located in the Kalihi-Palama community which encompasses census tract numbers 48.00 to 65.00 and includes the Farrington School Complex. The agency also serves some youth from the McKinley School Complex which encompasses parts or all of census tracts 25.00, 26.00, 35.00 to 57.00. SWCC also serves youths and families from the following public housing projects: Kuhio Park Terrace, Kalakaua Homes, Ka'ahumanu, Mayor Wright, Kamehameha and Pu'uhala Homes. These projects combined constitute the largest concentration of public housing in Hawaii, as well as a higher than average percentage of families living in poverty.

A statewide study conducted by the Center for Families at the University of Hawaii reporting on 42 separate communities in Hawaii found that the Kalihi-Palama community is the second most high risk community based on social, economic and risk indicators. Based on the most recent census figures:

- The per capita income for this community is \$14,634 compared to \$21,526 for the State of Hawaii.
- Civilian unemployment rate is 8.6 percent compared to 6.3 percent for the State; 3 of the 4 census tracts with the highest unemployment rate is in the Kalihi community.
- 9.8 percent of the families in the community receive some form of Temporary Assistance to Needy Families (TANF), which is almost double the State rate.
- Kalihi has the lowest percentage of adults possessing high school diplomas in the State, while it has the highest high school dropout rate.
- Kalihi has the highest percentage of immigrants in the State and the highest percentage of residents who speak another language other than English at home.
- The majority of the people in Kalihi work in blue collar and service industries, the latter being the most volatile in terms of continuous employment.

The vast majority of the agencies' youth and family programs serve students from the following public schools: Farrington High School, McKinley High School, Dole Middle School, Kalakaua Middle School and Central Middle School.

According to the Hawaii Department of Education (DOE) Yearly School Trend Reports from 2013 to 2014 attendance rates at all the above schools (except Farrington High School) decreased each year, while suspension rates for Dole and Central Middle School ranged in the double digits (13 percent to 17 percent). The graduation rate at Farrington High School remains below 72 percent, failing to meet the Hawaii state target graduation rate of 82 percent for the last 3 years. McKinley High School's graduate improved slightly by 1.5% from the year before, with a graduation rate of 81%. The majority of students at all five schools receive free or reduced lunches, with 60 percent of students at McKinley High School all the way up to 86 percent of students at Central Middle School. The level of free/reduced lunches at a given school also indicates the poverty level of the school community.

#### 5. Describe the geographic coverage.

SWCC will serve elementary through high school aged children and youth who generally reside in the Farrington Complex area and to a limited degree some youth who reside in the McKinley Complex area.

#### II. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

#### 1. Describe the scope of work, tasks and responsibilities;

SWCC offers a continuum of services to meet the needs of youth and families in the communities it serves. These services include the outreach, intake and assessment, information and referral services, follow up/after care services, positive alternative activities, vocational activities, employment readiness and experiential opportunities, sports, fitness and health, community building and service, youth leadership and educational development and alternative secondary school services.

In order to assure the timely and efficient delivery of services to clientele, SWCC has entered into a Memorandum of Agreement with the Kalihi YMCA (YMCA) and Parents and Children Together (PACT). The three agencies have a lengthy history of working collaboratively in the best interests of clientele. For this proposal, it will enable SWCC to easily refer to the other two agencies for services we may not provide or for which we have a wait list. In addition, the agreement will further assure that there is no duplication of services. The agency representatives will meet regularly to share progress, problems, and issues.

Building strong, caring relationships with youth is paramount to creating successful youth/family services. Activities may be the way to engage youth, but it is the caring adults and strong relationships that keep the youth coming and moving forward. Although services will be provided to a minimum of 500 youth, where we really make a difference is one youth at a time.

#### Services To Be Provided

Community Based Outreach. Outreach services and activities serve as the initial point of contact for many youth and families served by the collaboration partners. All staff will provide outreach services. Aggressive outreach and case-finding activities conducted within the community setting are essential in connecting clients to appropriate services. Outreach necessitates persistence and perseverance on the worker's part in reaching out to the hard-to-reach, fearful, unmotivated, resistant youth and/or parent. This is especially true when working with street youth. Activities include contacting school and other resources in the community, making home and

field visits, and being available on short notice to respond to youth and families. Staff providing outreach services must also have a strong working knowledge of community resources that are available to youth and families.

Aggressive community outreach activities will identify the vast majority of youth enrolling in services for the first time. From that point, youth will "funnel down" to participate in the services and activities that are most appropriate for them.

Intake and Assessment. Intake begins after a referral has been made, screened, and the youth and family have agreed to services. Contact is made with the youth and families to gather information and determine interest in and final eligibility for services. Problem identification and assessment, using a variety of questionnaires and other assessment tools, begins immediately. Once sufficient information is gathered, it is analyzed and the youth/family's strengths and weaknesses are assessed and a plan of action is developed.

Referral Services. Part of the plan of action is to determine the services that are needed for successful implementation of the plan. Services that the program is not able to provide will be secured through referrals to other resources. Staff will monitor the implementation of the plan to ensure that the connection is made between the youth/family and these collateral services. Interests and needs of the youth/family not offered by the program may lead to referrals to other more appropriate services. The referrals will be monitored to track and support linkages.

Follow-up/After Care Services. Staff will routinely make follow up contacts with youth whose cases have been closed. This is part of the tracking process to ensure performance targets have been achieved. It is also a way to "check-in" with youth, find out how they are doing, and provide after-care services if needed.

Positive Alternative Activities. These activities are designed to engage participants and to help youth develop/ strengthen varied important skills and talents. SWCC provides strong activities in the areas of youth leadership, sports, fitness and health, culture, arts and humanities, vocational activities and experiential opportunities.

The focus of these positive alternative activities is on wellness type of activities. Many of the youth served by our Centers do not practice healthy decision making around their nutrition, sexual activity, conflict resolution skills, etc. This component will stress Healthy Body-Healthy Mind connections and seek to increase personal wellness (safety, eating habits, and substance use), social wellness (refusal skills, communication), values, coping resources, and self-concept. It will accomplish this through a range of experiential groups offered on a weekly basis that has youth explore these areas. Resources already used by the agency such as the Journey, Making Choices, and Crossing the Bridge and other nationally-recognized curriculum will be used to more fully develop a program that also may be modified depending on the community's needs. Each youth will also have the opportunity to take assessment inventories in the wellness domain and develop and maintain a personal improvement journal where they may more fully focus on their personal goals in the areas of diet, skills, exercise, risk avoidance, personal hygiene, and remaining drug and alcohol free.

Vocational Activities, Employment Readiness and Experiential Opportunities.

Activities in this component will vary depending on the age of the targeted participants. As the majority of the youth participating in youth services have not had many opportunities to explore different careers and future life plans and choices, a large percentage of the activities will focus on career exploration, goal setting, and post high school educational opportunities for all age groups. Job shadowing opportunities for all ages will also be explored in order to give youth a closer look at specific careers. For youth in high school and getting closer to the age where they may want to work parttime, we will offer employment skill training and job preparation workshops where they will have opportunities to write resumes, practice interviewing and learn job-related skills. Post high school education will be further explored with this group, as the need for this is greater at this age. Additionally, youth entrepreneurial activities for youth interested in starting and running their own businesses and job development and placement activities can be explored through partnerships with existing resources.

Educational Development Activities SWCC emphasizes school success and offers activities and services that will enhance participants' school performance. Activities include: study halls and tutorials; assistance with seeking out alternative education programs, as appropriate; follow-up with teachers and counselors; and promoting family involvement in school/educational activities. Program staff also helps youth prepare to successfully make the transition from elementary to intermediate school and from intermediate to high school. SWCC also has a computer center where youth can have access to technology for school and other projects since the majority of program participants do not have access to computers at home.

Alternative Secondary School Services. In conjunction with the Department of Education and the Farrington Community School for Adults SWCC has offered Competency-Based Community School Diploma Program (C-Base) classes at the Center for over 10 years. Certified Farrington's Community School for Adults (FCSA) instructors conduct the classes and FCSA proctors final exams. This program enables youth who are discharged from public high schools before receiving their diploma an opportunity to graduate with a high school diploma from Farrington High School.

**Sports, Fitness and Health.** SWCC has a range of current sports activities, such as league basketball and volleyball that are offered on a regular basis. In addition, there are combined sports activities among the collaborative partners that bring youth together to play mixed team sports.

Community Building and Service Community building/service activities have historically been an important part of the services provided by SWCC. Community building and service activities are an important way to help youth make a connection to the communities in which they live. These activities also provide opportunities for youth from the various sites to get together, interact, and build relationships. Staff will select four projects that youth and staff will participate in annually. PACT and the YMCA also

have regular community service projects including community clean-ups, neighborhood security patrols, and participation in community fairs which provide a perfect opportunity for the agencies and youth to work together.

Youth Leadership The youth worker position proposed in this GIA will establish a group of 7 to 12 middle-high school students who will meet at least once a month to plan and discuss leadership activities. Guided by the youth worker, the group will cover topics such as self-esteem, improving communication skills, team building, decision making, planning/organizing/implementing/evaluating activities, budgeting, and resource identification and development.

Other Alternative Activities SWCC also schedules field trips, camping, cooking, and picnics. The agency also provides drop-in services where youth can participate in a variety of supervised recreational activities. To promote healthy competition, a variety of tournaments and events are held (i.e., Scrabble, chess, pool, ping pong, volleyball, basketball, softball etc.). When arranged in collaboration with other agencies such as the YMCA and PACT, these activities provide yet another opportunity for youth participants to further enhance their social skills.

#### Other Collaboration Services

Basic Needs Services. Meeting basic needs first - food, shelter, hygiene, and medical care -is imperative before youth can begin the process of gaining skills and resources to enable them to get off the streets and/or move forward with their lives. All programs/sites have the capability of providing or connecting clients with services to meet these needs, but this is especially critical for youth on the street.

Self-Development/Skill Building Activities. These activities focus on the development of self-esteem, communication skills, and peer interactions and relationships as well as on the specific focus of the group. Groups include Violence Awareness, Girls and Boys Groups, Sexual Assault Prevention, Cultural Identity and Awareness. Such activities are offered by most agencies and are available at many of the targeted schools. The specific focuses of these groups are separation, domestic violence, personal development and pride, decision making, peer pressure, and prevention activities.

#### 2. Provide a projected annual timeline for accomplishing the results or outcomes of the service;

 Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

SWCC is accredited by the Council on Accreditation (COA) and, consequently has a comprehensive quality assurance plan in place: This comprehensive plan is on file at SWCC and is available for review upon request. In addition, SWCC will develop quality improvement activities to include plans being proposed in this GIA. These activities include:

- A. Establishing a regular case conferencing process through which case managers can obtain feedback/input on difficult cases
- B. Quality review of the core service area performance targets and milestones:
  - Outreach
  - Positive Alternative Activities (school performance/educational achievement)

- Academic Achievement
- C. Quality review of the performance targets and milestones for the Positive Alternative Activities components targeted for enhancement/expansion:
  - Positive Alternative Activities
  - Vocational Employment
  - Culture, Arts and Humanities
  - Health, Fitness and Wellness
  - Youth Leadership
- D. A Management Information System (MIS) and centralized data collection to standardize data collection and reporting;
- E. Quality staffing of programs and sites, ensuring that all staff meet minimum qualifications as indicated in position descriptions;
- F. Regular, documented staff development and supervision;
- G. Regular opportunities for consumer input (youth, families, and community members) through the youth board, focus groups and satisfaction surveys.
- H. An overall Quality Management Team, coordinated by SWCC's Performance and Quality Improvement (PQI) Director to oversee all Quality Improvement activities as described above and, in addition:
  - Review the results of the agency's internal case record reviews and other processes as appropriate
  - Review quarterly narratives and reports
  - Monitor MIS data collection and reporting process
  - Maintain documentation of Quality Improvement activities
  - Reports results of Quality Improvement activities to Youth staff and Executive Directors

The Quality Management Team takes action based on findings of the quality process to: build on strengths; eliminate or reduce identified problems; determine possible causes when data reveal issues of concern; develop solutions and replicate Best Practices; and implement and monitor the effectiveness of corrective action plans.

These quality activities are designed to maintain confidentiality of consumer and business information and comply with the confidentiality, privacy and security of information mandates as established by the Health Insurance Portability and Accountability Act (HIPAA).

Furthermore, SWCC will continue to participate in contract monitoring activities as requested by monitoring State Agency and utilize evaluation tools and forms developed by that agency.

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the measure(s) of effectiveness will need to be updated and transmitted to the expending agency.

| Program Objectives  | Measures of Effectiveness  |
|---|--|
| 500 Youth from Kalihi-Palama (125 at YMCA – 250 at PACT 125 at SWCC) will register for the after school programs at the three agencies and participate in after-school activities that are supervised by positive adult role models.  | 75% of those registered will participate in social/recreational activities like field trips, excursions, socials.  30% of those registered will use the computer facilities for homework or research.  |
| 300 Youth from Kalihi-Palama (75 at YMCA – 150 at PACT 75 at SWCC) youth will participate in the educational and skill building activities at the three sites.  | 50% of the participants will enroll and complete at least one sport or fitness activity. 50% of the participants will improve their understanding of healthy living and proper diet.   |

#### IV. Experience and Capability

#### A. Necessary Skills and Experience

The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.

SWCC provides direct prevention, case management, education and employment services in a holistic, culturally competent and community-based approach. Services focus on developing competencies and skills, and empowering individuals towards personal development, self-sufficiency and long term earning capability. The following is a partial list of services offered:

- bilingual mental health services
- bilingual employment and training services
- bilingual case management for victims of human trafficking
- activities for senior citizens
- after school drop-in center and recreation program
- alternative high school diploma program
- truancy prevention programs
- case management
- parenting classes
- computer-based Learning Center
- adult basic education and English as a Second Language classes
- emergency food pantry

The Susannah Wesley Community Center is accredited nationally by the Council on Accreditation(COA). Accreditation ensures its stakeholders that the agency and its programs operate from an industry-wide "Best Practices" and/or "Evidence-Based" framework for both governance and program services.

SWCC has much experience in being the lead agency in collabortive efforts and in managing federal funds. Examples include:

- SWCC's home based parenting program provides family counseling to TANF eligible families, primarily in the homes of the participants or at a place of their choice. Based on best practice course, Parenting Adolescents Wisely, Department of Human Services, BESSD, contract continues through 2016.
- SWCC's truancy prevention program targets middle school youth, working with the students and their families utilizing the Why Try curriculum. Life skills group work, individualized case management and intervention services are provided to address the truant behavior, Department of Human Services, Office of Youth Services, contract continues through 2016.

- SWCC entered into collaboration with the Kalihi YMCA and PACT for two years
  (2012-2014) for the Kalihi Palama School's Out Project. The tri-agency collaboration
  was awarded CDBG funds and State GIA for \$ 450,000 to provide a comprehensive
  continuum of after school activities, education, and skill building activities,
  community service and youth leadership and support services to Kalihi youth and
  families.
- SWCC was the lead agency in coordinating a \$1.5 million federal grant to five collaborative agencies serving the immigrant populations in the Hawaii Immigrant Employment Program. We executed subcontracts and did both fiscal and program monitoring of partner agencies.
- SWCC was the lead agency in the implementation of State Incentive Grant (SIG) funds for three agencies located in Kalihi.
- SWCC was part of a collaboration, Hui Malama Ohana, that coordinated the delivery of Youth Service Center services to three geographic locations on Oahu.
- We were a subrecipient to manage \$1.7 million federal grant funds for special needs youths and families in the Leeward Oahu "Ohana" project.
- We were a subrecipient of \$ 500,000 from Sustance Abuse and Mental Health Services Administration (SAMSHA) for services to transition adolescents with severe emotional and behavioral challenges to navigate to adulthood.
- SWCC also received a CDBG grant of \$500,000 in the late 1990s as part of a capital improvement project. The project was completed on time with no liens.

SWCC is governed by a Board of Directors who is deeply committed to carrying out the mission of the organization in the community. The SWCC Board of Directors has expertise that would benefit various phases of this project.

#### B. Facilities

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities. The applicant shall also describe how the facilities meet ADA requirements, as applicable.

SWCC operates primarily from its main site located at 1117 Kaili Street in Kalihi. This 70,000 sq. ft. site houses the administrative and program operations. This facility has, within the last decade, expanded to a total of approximately 18,000sq. ft. under the roof. The site provides offices, a variety of program and meeting spaces. It includes:

- A large multi-purpose room
- A dedicated recreation and lounge area outfitted with a variety of recreational equipment
- An arts and crafts room with a kiln

- A dedicated computer lab equipped with fourteen computers
- A 6,000 sq. ft. gymnasium
- Office space for approximately seven administrative staff members
- Office space for approximately 14 program staff members
- A program records room
- A staff library
- Three shared interview spaces
- A large centralized reception area

This property is leased to the center for a 20 year period by the General Board of Global Ministries of the United Methodist Church. The General Board of Global Ministries of the United Methodist Church has designated this property for use as a mission agency providing social service to the community.

#### V. Personnel: Project Organization and Staffing

#### A. Proposed Staffing, Staff Qualifications, Supervision and Training

The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.

**Staffing** for this proposal is 1.00 FTE Program Coordinator and 2 half time youth workers. These positions will be responsible for assessments and eligibility determination for all referrals. In addition, the individuals hired will collaborate with the Youth Services Program Administrator in the planning and future implementation of the program.

The Program Coordinator position will require a minimum of a Bachelor's degree in Social Work or related field with at least 4 years experience. The youth worker positions will require a Bachelors degree in a human service field and two years experience. The Program Administrator is required to have a Master's degree in Social Work and a minimum of 5 years post Master's degree experience.

#### Supervision procedures include:

- Weekly supervision for each staff member which can be accomplished individually or as a group
- Regularly monitoring files, service plans, and other documentation
- Regular informal evaluations
- Written performance appraisals at least once a year to assess performance and identify goals and training needs for the upcoming year

**Staff development** is seen as an integral part of each employee's professional development. Each staff member receives an orientation that includes program purpose and philosophy, casework policies/procedures, due process, data collection and

community resources. After orientation, the employee and his/her supervisor completes a staff development plan outlining training needs for the year. The training plan is developed around the employee's job description and areas of interest and will be reviewed and updated at each yearly performance appraisal.

#### B. Organization Chart

The applicant shall illustrate the position of each staff and line of responsibility/supervision. If the request is part of a large, multi-purpose organization, include an organizational chart that illustrates the placement of this request.

See attached.

#### C. Compensation

The applicant shall provide the annual salaries paid by the applicant to the three highest paid officers, directors, or employees of the organization by position.

Ronald M. Higashi, Executive Director, \$75,000/yr. Dominic Inocelda, Administrator, \$71,400/yr. Carol Imanaka, Administrator, \$70,350/yr.

#### VI. Other

#### A. Litigation

The applicant shall disclose any pending litigation to which they are a party, including the disclosure of any outstanding judgment. If applicable, please explain.

Not Applicable.

#### B. Licensure or Accreditation

The applicant shall specify any special qualifications, including but not limited to licensure or accreditation that applicant possesses relevant to this request.

SWCC has been accredited by the Council on Accreditation since 1999. The agency is accredited for intensive Case Management, Youth Development, Child and Family Development, Counseling and Educational support, and Workforce and Assets Building Services.

#### C. Federal and Country Grants

The applicant shall separately specify the amount of federal and county grants awarded since July 1, 2014.

See attached Government Contracts/Grants.

#### D. Private Educational Institutions

The applicant shall specify whether the grant will be used to support or benefit a sectarian or non-sectarian private institution. Please see Article X, Section 1, of the State Constitution for the relevance of this question.

Not Applicable.

#### E. Future Sustainability Plan

The applicant shall provide a plan for sustaining after fiscal year 2015-2016 the activity funded by the grant of this application is:

- (1) Received by the applicant for fiscal year 2015-16, but
- (2) Not received by the applicant thereafter.

Financial sustainability is a major strategic priority for SWCC and has begun to systematically examine alternative funding strategies and business models to deliver our mission. The agency has reallocated financial resources to prioritized programs, instituted focused administrative reductions, outsourced personnel and benefits management, increased "earned income" revenue generation (fee for service), increased facilities usage fees, increased grant writing and other revenue enhancements within our mission. Long-term, the agency continues to grow unrestricted contributions to SWCC by reconnecting with and expanding our relationships with individual and corporate donors.

The development of our resource development and communications is the cornerstone of our efforts to increase our unrestricted funding base and future sustainability plan.

#### F. Certificate of Good Standing (If the Applicant is an Organization)

If the applicant is an organization, the applicant shall submit one (1) copy of a certificate of good standing from the Director of Commerce and Consumer Affairs that is dated no earlier than December 1, 2014.

Dear Sir or Madam:

This is in response to your telephone request regarding your organization's tax-exempt status.

In December 1968, we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Susannah Wesley Community Center 99-0073528

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Section 6104 of the Internal Revenue Code requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. The law also requires organizations that received recognition of exemption on July 15, 1987, or later, to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. Organizations that received recognition of exemption before July 15, 1987, and had a copy of their exemption application on July 15, 1987, are also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. For additional information on disclosure requirements, please refer to Internal Revenue Bulletin 1999 - 17.

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janea K. Stufer

#### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Susannah Wesley Community Center:

### Report on the Financial Statements

We have audited the accompanying financial statements of Susannah Wesley Community Center (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the

entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Susannah Wesley Community Center as of June 30, 2013, and changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, Audit of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived form and relates directly to the underlying accounting and other records used to prepare financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 10, 2013, on our consideration of Susannah Wesley Community Center's internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Susannah Wesley Community Center's internal control over financial reporting and compliance.

## SUSANNAH WESLEY COMMUNITY CENTER (A NON-PROFIT ORGANIZATION) NOTES TO FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2013

### 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Organization

Susannah Wesley Community Center is a not-for-profit human services agency related to the United Methodist Women, the United Methodist Church. The Center is supported by the United Methodist Church, Aloha United Way, and various grants, trusts, foundations, groups, and individuals. The Center provides a variety of mental health, youth development, education, and other services to primarily the residents of the Kalihi-Palama communities on the island of Oahu.

### **Summary of Significant Accounting Policies**

Basis of Accounting — The Center classifies its net assets and its revenues, gains and other support based on the existence or absence of donor-imposed restrictions. Unrestricted net assets represent resources over which the board of directors has discretionary control. Temporarily restricted net assets result from contributions whose use is limited by donor stipulations that either expire with the passage of time or can be fulfilled and removed by actions of the Center pursuant to those stipulations. Permanently restricted net assets result from contributions whose use is limited by donor stipulations that do not expire.

The Center reports contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, the related temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Center reports contributions of property as unrestricted support unless explicit donor stipulations specify how the donated property must be used. Contributions of property with explicit restrictions that specify how the property is to be used and contributions of cash and other assets that must be used for property additions are reported as restricted support. In the absence of explicit donor stipulations about how the property must be maintained, the Center reports expirations of donor restrictions when the donated or acquired property is placed in service.

Contributions – Contributions received, including unconditional promises to give, are recognized as revenue in the period received at their fair values. Contributions receivable are stated at their estimated net realizable value.

### 2. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Statement of Functional Expenses – Certain management and general expenses have been allocated to program services on the basis of direct salaries or other appropriate criteria.

Cash and Cash Equivalents – Cash and cash equivalents, for purposes of the statement of cash flows, includes all short-term investments with original maturity or remaining life at date of purchase of three months or less.

Investments – Investment securities are stated at fair value based on market prices and include investments held by the United Methodist Church on behalf of the Center.

**Property and Equipment** – Property and equipment are stated at cost. The Center's policy is to capitalize all purchases over \$1,000. Depreciation is computed on the straight-line method over the estimated useful asset lives which are as follows:

| Furniture and equipment | 5 – 10 years |
|-------------------------|--------------|
| Building improvements   | 10 years     |
| Vehicles                | 3 – 4 years  |

Repairs and maintenance are charged to expense and additions and betterments are generally capitalized.

**Donated Services** – No amounts have been reflected in the statements for donated services; however, a substantial number of volunteers have donated significant amounts of their time to the Center.

Income Taxes – The Center is a not-for-profit foundation for income tax purposes and is exempt from income taxes on income received in connection with its exempt activities.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### 3. TEMPORARILY RESTRICTED NET ASSETS

Net assets are released from donor restrictions primarily by incurring expenses which satisfy the restricted purposes. Net assets released from restrictions during 2013 and net assets available as of June 30, 2013 were as follows:

| 4                                    |    | 2013                     |                      |                 |  |  |  |  |

#### 4. PERMANENTLY RESTRICTED NET ASSETS

The Center's permanently restricted net assets consist of three endowment funds in the amounts of \$250,000, \$26,250 and \$82,833. The endowment fund of \$250,000 is from The Harry and Jeanette Weinberg Foundation, Incorporated (Foundation), interest on which will be used first for repairs and maintenance of the youth center (see Note 7) and second, upon prior written approval of the Foundation, for other operating purposes. The income received is temporarily restricted and, accordingly, is recorded in temporarily restricted net assets until the donor's stipulations are satisfied. The endowment fund of \$26,250 requires that each year, after any expense of managing the endowment has been deducted from earnings, the first 5% on principal of any remaining earnings in that year be added to the current principal to form a new amount of principal for the coming year. If earnings after expenses fall short of 5% on principal, 50% of the earnings shall be added to the principal for the given year. Each year, after the principal has been adjusted, any remaining income shall be used for unrestricted financial support of the Center. The endowment fund of \$82,833 requires the principal not to be spent, with 5% of interest and income to be returned to principal, leaving the remainder of interest and income expendable for any purpose authorized by the board of directors.

### 5. NOTES PAYABLE

In September 2012, the Center renewed a one year note payable in the amount of \$24,949 with the interest at 2.50% due on September 21, 2013. In June 2010, the Center renewed a line of credit with interest at 2.50% over the lender's index, resulting in an annual percentage rate of 6.970%. The credit limit of this loan is \$150,000. As of June 30, 2013, the balance of this loan is \$80,295. This note is secured by assignment of contract between the Research Corporation of the University of Hawaii and the Center.

#### 6. LEASES

The Center leases its facilities from the United Methodist Women of the United Methodist Church under an operating lease agreement expiring on December 31, 2028. This lease agreement provides for no rental fees and may be terminated at any time by the lessor or lessee upon giving 90 days written notice. The fair value of the contribution of the use of this and other facilities of \$174,000 and the related expense has been recognized in the statement of activities for the year ended June 30, 2013. Total rent expense for the year ended June 30, 2013 was \$174,000.

### 7. PENSION PLAN

The Center has a defined contribution pension plan. The noncontributory plan covers substantially all of the employees of the Center. No contributions were made to the plan for the year ended June 30, 2013.

#### 8. THE HARRY & JEANETTE WEINBERG YOUTH CENTER

On October 1, 1996, the Center received \$1,055,000 from The Harry and Jeanette Weinberg Foundation, Incorporated to be used for the construction and maintenance of the Center's new youth center facilities. The amount included \$250,000 which represented a permanently restricted endowment fund. The new facilities were substantially completed in June 1997.

### 9. CONCENTRATIONS OF CREDIT RISK

The Center maintains its cash in bank deposit accounts and a certificate of deposit, where the combined deposits held at each bank are federally insured up to \$250,000 per bank. As of June 30, 2013, the bank balance exceeded \$250,000 by \$67,118. The Center has not experienced any losses in these accounts and certificate of deposit and believes it is not exposed to any significant credit risk on cash.

## SUSANNAH WESLEY COMMUNITY CENTER (A NON-PROFIT ORGANIZATION) NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2013

### 1. Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Center and is presented on the accrual basis of accounting with acquisitions of property and equipment included as federal expenditures. These acquisitions, however, are capitalized in the statement of financial position. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133. Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Susannah Wesley Community Center:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Susannah Wesley Community Center (a nonprofit organization), which compromise the statement of financial position as of June 30, 2013, and the related statement of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 10, 2013.

### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Susannah Wesley Community Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Susannah Wesley Community Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Susannah Wesley Community Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected in a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other matters

As part of obtaining reasonable assurance about whether Susannah Wesley Community Center's are free from material misstatement, we performed test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed not instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS

APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER

COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors of Susannah Wesley Community Center:

### Report on Compliance for Each Major Federal Program

We have audited Susannah Wesley Community Center's compliance with the types of compliance requirements described in the *OMB Circular A-133Compliance Supplement* that could have a direct and material effect on each of Susannah Wesley Community Center's major federal programs for the year ended June 30, 2013. Susannah Wesley Community Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Susannah Wesley Community Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in the Government Auditing Standards, issued by the Comptroller General of the United States; an OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Susannah Wesley Community Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Susannah Wesley Community Center's compliance.

### Opinion on Each Major Federal Program

In our opinion, Susannah Wesley Community Center's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2013.

### Report on Internal Control Over Compliance

Management of Susannah Wesley Community Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Susannah Wesley Community Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion of the effectiveness of Susannah Wesley Community Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A Significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

### INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTAL DATA

To the Board of Directors Susannah Wesley Community Center Honolulu, Hawaii

Our report on our audit of the basic financial statements and supplementary schedule of expenditures of federal awards of Susannah Wesley Community Center (Center) for the year ended June 30, 2013 appears on page 21. That audit was made for the purpose of forming an opinion on the basic financial statements as a whole.

The accompanying schedule of government awards expenditures is presented for additional analysis as required in the reporting provisions of the Center's contracts with the State of Hawaii Department of Health and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

## SUSANNAH WESLEY COMMUNITY CENTER (A NON-PROFIT ORGANIZATION) NOTES TO SCHEDULE OF EXPENDITURES OF GOVERNMENT AWARDS FOR THE YEAR ENDED JUNE 30, 2013

### 1. Basis of Accounting

The accompanying Schedule of Expenditures of Government Awards includes expenses recognized on the accrual basis of accounting and acquisitions of the property and equipment using U.S. Federal and State of Hawaii awards. These acquisitions, however, are capitalized in the statement of financial position. Accordingly, the Schedule of Expenditures of Government Awards is not intended to present expenses in conformity with accounting principles generally accepted in the United States of America.

## MEMORANDUM OF AGREENT

# PROPOSED MEMORANDUM OF AGREEMENT BETWEEN THE YMCA OF HONOLULU - KALIHI BRANCH; SUSANNAH WESELY COMMUNITY CENTER;AND PARENTS AND CHILDREN TOGETHER

This Memorandum of Agreement (MOA) is entered into and between the YMCA of Honolulu-Kalihi Branch, (herein referred to as "KYMCA") Susannah Wesley Community Center, (herein referred to as "SWCC"), and Parents and Children Together, (herein referred to as "PACT") for the purpose of defining the basic roles, and responsibilities, and preliminary scope of service for the *Kalihi Palama School's Out Project*, (herein referred to as the "PROJECT"). This MOA defines expectations for each agency individually as well as collectively (here in referred to as PARTNER(S)).

The MOA is a collaboration of the stated PARTNERS that is currently being implemented and being requested to be continued as part of the 2016 Grant-In-Aid (GIA) application process to the Hawaii State Legislature. Each <u>individual</u> PARTNER is submitting a GIA application for their part in this collaboration.

This collaboration (herein referred to as the "PROJECT"), is currently funded through three separate Grants-in-Aid appropriated authorized through Act 215, Section 36, SLH 2013 administered by the Department of Labor and Industrial Relations, Office of Community Service.

The PARTNER agencies are amendable to distribution and contractual method or vehicle that the Legislature and Administration deems necessary to continue and fund this collaboration, either collectively or individually.

Each PARTNER agency has a rich tradition of serving youth and families in the Kalihi Palama community. Although geographically close in proximity, PARTNERS service distinct youth and family populations. PARTNER agencies also have a long history of working together collaboratively to enhance service delivery to our community.

This MOA is subject to the provisions of all applicable Federal and State laws, regulations, policies, and standards, with specific reference to those provisions as necessary to receive GIA funding authorized by the Hawaii State Legislature and directives applicable to the use of funds as well as the conditions as set forth by the administering state agency.

### I. Terms of this Agreement

This MOA is contingent upon the awarding of and full funding of each individual PARTNERS GIA application request. In the event that applications are selectively funded or funded at a lesser amount(s), the PARTNERS will develop a new MOA with new agreed upon conditions. In the event that the GIA application(s) are not selected for funding, this MOA is null and void.

This MOA is also contingent upon the contractual conditions and requirements of the administering state agency.

This MOA may be terminated by either/and all PARTNERS upon at least 30 days' written notice or immediately upon notice for cause.

### II. Project Description

The PROJECT is a collaboration of the YMCA of Honolulu – Kalihi Branch, Susannah Wesley Community, and Parents And Children Together. The intent of the partnership is to collectively provide a continuum of youth services to the youth and families of Kalihi Palama.

The PROJECT offers a continuum of prevention, intervention, education, support, and youth development services to meet the needs of youth and families in our specific service areas within the Kalihi community. All three PARTNER sites will deliver core services uniquely tailored to respond to the specific needs of the targeted communities and population served, as well as adding to the matrix of services offered to our community as part of this collaboration. The core services are outreach, positive alternative activities, education, and skill development.

In addition the selected PARTNERS will further provide substance abuse prevention and intervention services, as well an alternative high school diploma program available for the Kalihi Palama community. All services provided through this PROJECT will be available to all participants of all three agencies.

The PARTNERS will collectively leverage their current programs and resources on behalf of the youth and their families to further ensure a comprehensive continuum of care that may not be currently available to youths and their families in the Kalihi-Palama community. These will be provided in a holistic and coordinated approach that increases the availability of, access to and involvement in needed services.

All PARTNERS have a quality improvement program that ensures the active involvement of the youth and families in the planning and evaluation process of the program.

All PARTNERS will ensure that the purpose, program activites, administrative, and other requirements, provisions, and scope of servcies to be stated in the final contracts are delivered, monitored, and peformance reported to the administrating state agency.

Administrative and programatically, PARTNERS will meet on a regularly scheduled basis to review PROJECT services to clients and participants. This approach will ensure a collective response on the performance of the PROJECT.

### III. Target Group to be served

PARTNERS shall provide services to Elementary through High School youths, ages five (5) to seventeen (17) and their families who live or attend school in the Kalihi-Palama community. The educational program will also service teens and young adults to age 22.
