Application for Grants

If any item is not applicable to the request, the applicant should enter "not applicable".

I. **Background and Summary**

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background

The 442nd Veterans Club (hereafter the "Club") is a non-profit (501c-4) organization located at 933 Wiliwili Street in Honolulu, Hawaii. Its members are veterans of the 442nd Regimental Combat Team (RCT), a U.S. Army unit that fought in Europe during World War II. The Club was established and incorporated in 1946 as a social club. The Club's office and clubhouse space are located on the ground floor of a three-story apartment complex which the Club owns and maintains. Rental income from 10 units subsidizes the Club. Two ground-floor units house the 442nd Veterans Archive (hereafter "Archive").

The Archive was established in 1993. Its purpose is to preserve the legacy of the 442nd RCT by collecting, preserving and displaying materials related to the history of the unit. Its mission is to educate the public through dissemination of historical information through publications, exhibits, oral histories, and website. The Archive collection consists of artifacts, publications, documents, photographs and audio/visual material, and wartime souvenirs mostly donated by the veterans, their family members, and other individuals.

2. The goals and objectives related to the request

The two apartment units being used as the Archive, a total of 800 square feet, are not an adequate storage facility to house the 442 collection. The facility does not provide requisite environmental controls and lacks a fire-suppression system and a security system, each an absolute essential for an archive facility. In order for the Archive to continue the legacy of the 442nd RCT, the collection must be given the proper care and its artifacts displayed for public viewing. Funding is required to create a 442nd Legacy Center in order to create a better storage and research facility, as well as an exhibit area to display its artifacts and memorabilia.

The exhibits planned for the 442nd Legacy Center will not be limited to the 442nd RCT. The history of the 100th Infantry Battalion and 1399th Engineer Construction Battalion will also be included. There is an urgency to plan for the 442nd Legacy Center at this time as the veterans are well in their 90s and their input is essential to include the many aspects of what will constitute the finished Legacy Center.

3. The public purpose and need to be served

The 442nd RCT has a unique history. The story of the Americans of Japanese Ancestry (AJA), who volunteered to serve their country despite prejudice, must not be forgotten. Here in Hawaii, many of these volunteers were teenagers who worked on sugar and pineapple plantations for a few cents a day. These men proved themselves in World War II and upon returning home,

paved the way for the AJAs to advance in business, politics and other fields. These men are part of the heart and soul of Hawaii and exemplify the spirit of Americanism. A 442nd Legacy Center would ensure that their story is preserved and passed on to future generations.

4. Describe the target population to be served

The history of the AJA units in World War II should be taught to students, especially in middle schools in Hawaii. The 442nd Legacy Center would be the ideal education center for students as well as others who are interested in the history of the 442nd RCT.

5. Describe the geographic coverage

N/A

II. Service Summary and Outcomes

2. Provide a projected annual timeline for accomplishing the results or outcomes of the service.

Upon receipt of the grant, the planning of the 442nd Legacy Center should take about a year to complete.

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; N/A and

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment.
