Dear Speaker Souki and Representatives:

Attached please find the Honolulu Authority for Rapid Transportation's (HART) 2015 Annual Report to the Governor of the State of Hawaii and the 2016 Legislature.

This report was prepared in response to a request of Governor David Ige and following the adoption of Honolulu City Council Resolution 15-79, CD1, which directs HART to annually report to the State Legislature no later than twenty days prior to the start of the Legislative Session on the construction, financial, revenue, and budgetary updates of the Honolulu Rail Transit Project.

This report is also available on our project website at:
