## A BILL FOR AN ACT

RELATING TO THE HAWAII COMMUNITY DEVELOPMENT AUTHORITY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that the "lei of green"  
2 concept and guiding principles adopted by the Kaka'ako makai  
3 conceptual master plan and approved by the Hawaii community  
4 development authority in 2011 achieve the purpose and goals of  
5 chapter 206E, Hawaii Revised Statutes. In particular, this  
6 concept "serve[s] the highest needs and aspirations of Hawaii's  
7 people".

8           The legislature gave the Hawaii community development  
9 authority powers under section 206E-4, Hawaii Revised Statutes,  
10 to ensure that the Kaka'ako community development district could  
11 be appropriately managed to implement these goals, including but  
12 not limited to acquisition and use of lands in Kaka'ako makai to  
13 preserve and maintain the shoreline and parkland. Since 2011,  
14 however, the public, residents, and users in the Kaka'ako  
15 community development district have complained that they have  
16 had to continuously monitor the Hawaii community development  
17 authority's actions, which have been contrary to the intent and

1 direction of the adopted plans, rules, and guiding principles  
 2 for the makai shoreline. The preservation and maintenance of  
 3 the shoreline and parkland are critical not only for current  
 4 residents, but, more importantly, for future generations.

5 To that end, the legislature further finds that certain  
 6 designated parcels be preserved as parkland and protected and  
 7 maintained by the State. Furthermore, public notice on the  
 8 Hawaii community development authority's procurement actions and  
 9 leases should be followed, and long-term leases, which were  
 10 previously authorized, be rescinded as not in the best interest  
 11 of the fragile makai shoreline conditions.

12 SECTION 2. Chapter 206E, Hawaii Revised Statutes, is  
 13 amended by adding a new section to be appropriately designated  
 14 and to read as follows:

15 "§206E- Protection of urban shoreline in Kaka'ako makai;  
 16 parkland; shoreline; commercial development; public cultural and
