
A BILL FOR AN ACT

RELATED TO ELECTIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 303 of the Help America Vote Act of
2 2002 requires applicants for voter registration for federal
3 office elections to provide a driver's license number, if one
4 has been issued, or if none has been issued, the last four
5 digits of the applicant's social security number. Section 303
6 also includes a special rule for applicants without a driver's
7 license or social security number, which requires the State to
8 assign the applicant a number that will serve to identify the
9 applicant for voter registration purposes.

10 The legislature finds that Hawaii should conform state
11 election law for voter registration to the same requirements of
12 the federal office election law because the voting registration
13 law in Hawaii does not distinguish between voter registration
14 for state and federal offices.

15 The purpose of this Act is to require the applicant's
16 Hawaii driver's license number or Hawaii state identification
17 card number for purposes of identifying an applicant for voter

1 registration or, if no license or identification card has been
2 issued, the last four digits of the applicant's social security
3 number, provided that if the applicant does not have a social
4 security number, the State shall issue the applicant a unique
5 identification number, which will serve to identify the
6 applicant for voter registration purposes.

7 SECTION 2. Section 11-15, Hawaii Revised Statutes, is
8 amended by amending subsection (a) to read as follows:

9 "(a) Any person qualified to and desiring to register as a
10 voter in any county shall make and subscribe to an application
11 in the form of an affidavit.

12 The affidavit shall contain the following information:

13 (1) Name;

14 (2) [~~Social security number,~~] The applicant's Hawaii
15 driver's license number or Hawaii state identification
16 card number; provided that:

17 (A) If no driver's license or identification card has
18 been issued, the last four digits of the
19 applicant's social security number; and

20 (B) If no social security number has been issued, the
21 State shall assign the applicant a unique

1 identification number for voter registration
 2 purposes and enroll the applicant in the State's
 3 computerized voter registration list, if any;

- 4 (3) Date of birth;
- 5 (4) Residence, including mailing address;
- 6 (5) That the residence stated in the affidavit is not
 7 simply because of the person's presence in the State,
 8 but that the residence was acquired with the intent to
 9 make Hawaii the person's legal residence with all the
 10 accompanying obligations therein; and
- 11 (6) That the person is a citizen.

12 An application to register to vote shall include a space to
 13 request a permanent absentee ballot."

14 SECTION 3. Statutory material to be repealed is bracketed
 15 and stricken. New statutory material is underscored.

16 SECTION 4. This Act shall take effect on January 1, 2030.

Report Title:

Voter Registration; Social Security Number; Driver's License Number; State Identification Number

Description:

Requires on an application to register to vote, a Hawaii driver's license number or a Hawaii state identification card number or, if no license or identification card has been issued, the last four digits of the applicant's social security number. If the applicant does not have a social security number, requires the State to assign the applicant a unique number for voter registration purposes. (HB1055 HD2)
