
A BILL FOR AN ACT

RELATING TO THE DIAMOND HEAD STATE MONUMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that Diamond Head is a
2 world-famous landmark, representing Hawaii to millions of people
3 throughout the world. In recognition of Diamond Head's wealth
4 of information about Hawaii's geology, plants, and ancient
5 Hawaiian culture, the legislature adopted Act 104, Session Laws
6 of Hawaii 1976, to establish the Diamond Head State Monument as
7 an historical site on Oahu. Subsequently, the Diamond Head
8 State Monument plan of 1979 established a state policy of
9 establishing a semi-wilderness park with minimal enhancement to
10 Diamond Head. The Diamond Head Citizens Advisory Committee was
11 formed in 1977 to advise the department of land and natural
12 resources on the preservation and management of Diamond Head.
13 Further, Act 313, Session Laws of Hawaii 1992, reaffirmed the
14 recognition of Diamond Head crater as a natural landmark by the
15 federal government and a state monument by the State of Hawaii.

16 The legislature further finds that number of visitors at
17 Diamond Head exceeds one million annually, more than other state

1 parks. Therefore, Act 292, Session Laws of Hawaii 2007,
2 established within the state parks special fund a Diamond Head
3 State Monument sub-account, into which is deposited fifty-five
4 per cent of all proceeds collected from the admission fees
5 charged at the Diamond Head State Monument. Moneys from the
6 sub-account are to be expended on repair, maintenance, and
7 operating costs incurred by the State in the management of the
8 Diamond Head State Monument.

9 The legislature further finds that visitors to the Diamond
10 Head State Monument currently use the services of an
11 interpretive kiosk. The high number of visitors, however,
12 justifies the planning, design, and construction of a dedicated
13 visitor and interpretive center, which has been a long-standing
14 goal of the Diamond Head State Monument master plan, and which
15 can more adequately inform the public and provide educational
16 programs about the unique history and significance of Diamond
17 Head.

18 The purpose of this Act is to support the Diamond Head
19 State Monument by:

H.B. NO. 1839

2 source from which moneys may be deposited into the
3 state parks special fund;
