# A BILL FOR AN ACT

RELATING TO THE SPORTS AND ENTERTAINMENT AUTHORITY.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The legislature finds that Hawaii, with its  
2 unique geographic location, as a middle point between the Asia  
3 Pacific region and the mainland United States of America, and  
4 with its natural landscape and different climates and  
5 elevations, is a prime location for ocean sports, including  
6 surfing, sailing, and training. Hawaii is also a uniquely  
7 centralized venue for attracting concerts, international rugby,  
8 soccer, football, and other similar events. Furthermore,  
9 Hawaii's climate provides an ideal respite for mainland events  
10 and activities seeking alternatives to cold weather.

11           The legislature also finds that Hawaii has the potential to  
12 not only establish itself as a premier destination for  
13 entertainment and sporting events, it is also an ideal location  
14 for training facilities for youth, amateur, and professional  
15 athletes across many sports. In this regard, each venue and  
16 event must be properly evaluated to ensure that it is  
17 economically viable for the State and all participants.

1           The legislature also believes that Hawaii can build upon  
2 the success of past events, such as the Ironman Championship,  
3 the Honolulu Marathon, the NFL Pro Bowl, and the Sony Open, to  
4 develop the types of events that draw visitors and local  
5 residents and provide revenues to the State, as well as  
6 community enhancements through sponsorships and donations.

7           The legislature further finds that the State also needs to  
8 develop a comprehensive plan to ensure that it can sustain these  
9 successful events and not lose them to other destinations.  
10 These plans must include the construction or rehabilitation of  
11 first-class facilities throughout the State. In a 2014 National  
12 Association of Sports Commissions study, it was estimated that  
13 national sports industry visitor spending totaled \$8,900,000,000  
14 with approximately 25,600,000 sports industry visitors.  
15 According to the department of business, economic development,  
16 and tourism, Hawaii only logged 105,839 arrivals for a sporting  
17 event, out of 8,100,000 visitor arrivals to the State in 2014.

18           The purpose of this Act is to establish a sports and  
19 entertainment authority in the State to undertake and expand on  
20 the objectives and responsibilities of the stadium authority,  
21 established under chapter 109, Hawaii Revised Statutes. It is

1 the legislature's intent that the sports and entertainment  
2 authority coordinate and develop a thriving entertainment and  
3 sports industry in the State, including maintaining oversight of  
4 the Aloha stadium and promoting and engaging Hawaii as an  
5 entertainment and sports training and event destination for  
6 local, national, and international events, as well as developing  
7 state-of-the-art facilities for the benefit of professional,  
8 amateur, and youth athletes. Through these efforts, the sports  
9 and entertainment authority shall also provide opportunities for  
10 residents and nonresidents to observe and participate in a  
11 variety of amateur and professional sporting and other  
12 entertainment events, provide for the development of local and  
13 non-local athletic talent, promote Hawaii as an attractive  
14 training and event destination, and encourage active lifestyles  
15 and improve the health of our keiki and adults.

16 Furthermore, to ensure that ongoing projects, institutional  
17 knowledge, and expertise of the stadium authority are not lost  
18 during the transition, current stadium authority members may be  
19 appointed to the new sports and entertainment authority.

20 This Act also:

1 (1) Establishes a special fund to receive fees and other  
 2 moneys for administration, operation, maintenance,  
 3 promotion, and management of the stadium and  
 4 entertainment and sports development in the State;

5 (2) Transfers powers, duties, and funds from the stadium  
 6 authority to the sports and entertainment authority;  
 7 and

8 (3) Repeals the stadium authority, stadium special fund,  
 9 and Kapolei recreational sports complex special fund.
