
A BILL FOR AN ACT

RELATING TO ELECTIONS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the trend in Hawaii
2 has been toward increased mail-in voting. The 2014 Hawaii
3 primary election was the first election in which more ballots
4 were voted early than were cast on primary election day. Fifty-
5 six per cent of Hawaii voters chose to vote early during the
6 2014 primary, with approximately eighty-three per cent of these
7 early voters doing so by mail-in absentee ballot.

8 The legislature further finds that Hawaii's conversion to
9 elections by mail will significantly reduce the logistical
10 issues related to conducting elections. The legislature
11 concludes that an incremental implementation of an election by
12 mail voting system is the best approach for the State to
13 transition to elections by mail.

14 Accordingly, the purpose of this Act is to:

15 (1) Require the office of elections to implement elections
16 by mail in a county with a population of less than
17 100,000, beginning with the 2018 primary election, to

1 elections shall implement elections by mail in a county with a
2 population of less than 100,000. Beginning with the 2020
3 primary election, the office of elections shall additionally
4 implement elections by mail in each county with a population of
5 less than 500,000. Beginning in 2022, all federal, state, and
6 county primary, special primary, general, special general, and
7 special elections shall be conducted by mail in accordance with
8 this part; provided further that any person registered to vote
9 may request an absentee ballot or permanent absentee ballot in
10 accordance with section 15-4, in lieu of receiving an election
11 by mail ballot package pursuant to this part.

12 **§11-B Procedures for conducting elections by mail. (a)**

13 Ballot packages for elections by mail shall include:

- 14 (1) An official ballot;
- 15 (2) A pre-paid postage return identification envelope;
- 16 (3) A secrecy envelope; and
- 17 (4) Instructions.

18 (b) To the extent practicable, the county clerk shall mail
19 a ballot package by nonforwardable mail to each registered voter
20 in the county no earlier than thirty days before the date of an
21 election.

1 (c) Public notice of the date or dates that election by
2 mail ballot packages are mailed, delivered, or made available
3 shall be given by the chief election officer and all county
4 election officers in the manner prescribed in section 1-28.5
5 when all the packages have been mailed, delivered, or made
6 available to voters.

7 (d) After receipt of an election by mail ballot package,
8 the voter shall comply with the instructions included in the
9 ballot package to cast a valid ballot. The instructions shall
10 include information on election fraud and voter fraud, as
11 provided in sections 19-3(5) and 19-3.5, and notice that
12 violation of either section may subject the voter, upon
13 conviction, to imprisonment, a fine, or both. To cast a valid
14 election by mail ballot, the voter shall return the marked
15 ballot in the return identification envelope. The marked ballot
16 may be returned by mail, to a place of deposit, or to a voter
17 service center; provided that the ballot in the return
18 identification envelope shall be received at the office of the
19 clerk, place of deposit, or voter service center no later than
20 the close of the polls as provided in section 11-131 on the date
21 of the election.

1 (e) A voter may obtain a replacement ballot if the ballot
2 was destroyed, spoiled, lost, or not received by the voter. The
3 clerk shall keep a record of each ballot issued and returned to
4 ensure that another ballot has not been returned by the voter.

5 (f) If a mailed election by mail ballot is not received by
6 the voter within five days of an election, or a voter otherwise
7 requires a replacement ballot within five days of an election,
8 the voter may request that a ballot be forwarded by electronic
9 transmission. Upon receipt of such a request and confirmation
10 that proper application was made, the clerk may transmit the
11 appropriate ballot, together with a form containing the
12 affirmations and information required by section 15-6, and a
13 form containing a waiver of the right to secrecy under section
14 11-137. The voter may return the voted replacement ballot and
15 executed forms by electronic transmission, mail, or deposit at a
16 place of deposit or voter service center; provided that the
17 ballot and forms are received by the issuing clerk before voting
18 has concluded. Upon receipt, the clerk shall verify compliance
19 with the requirements of this part; provided that if the voter
20 returns multiple voted ballots for the same election, the clerk
21 shall prepare, for counting, only the first ballot returned that

1 is not spoiled. Prior to an election, the clerk shall determine
2 the permissible form or forms of electronic transmission that
3 may be used for the initial transmission of ballots to voters
4 and the return transmission of ballots by voters. The forms of
5 electronic transmission permitted for the initial transmission
6 of ballots may differ from those permitted for the return of
7 ballots by voters. For purposes of this subsection, "electronic
8 transmission" may include facsimile transmission, electronic
9 mail delivery, or the utilization of an online ballot delivery
10 and return system.

11 (g) The chief election officer shall determine and provide
12 for places of deposit and voter service centers pursuant to this
13 part and section 11-92.1.

14 §11-C Counting of mail-in ballots. Counting may begin no
15 sooner than the seventh day before the election. In the
16 presence of official observers, counting center employees may
17 start to count the ballots; provided that any tabulation of the
18 number of votes cast for a candidate or question appearing on
19 the ballot, including a counting center printout or other
20 disclosure, shall be kept confidential and shall not be
21 disclosed to the public until voting for the election has

1 concluded. All handling and counting of election by mail
2 ballots shall be according to procedures established by the
3 chief election officer.

4 §11-D Voter service centers; minimum number; designation;
5 services provided. (a) Beginning on January 1, 2018, in any
6 county where election by mail has been implemented, voter
7 service centers shall be established at the office of the
8 respective county clerks and may be established at other sites
9 as may be designated by the county clerk pursuant to this
10 section and rules adopted by the chief election officer.
11 Section 11-21 relating to changes and transfers of registration
12 shall apply to each voter service center as though it were the
13 precinct at which a person's name properly appears on the list
14 of registered voters.

15 (b) Voter service centers shall be open from the tenth day
16 preceding the day of the election through the day of the
17 election and at the same times statewide, except as may be
18 provided in section 11-92.3 or by the chief election officer
19 through administrative rules.

1 (c) In designating voter service centers pursuant to this
2 section, each county clerk shall consider the following factors
3 to address the needs of the county:

4 (1) Proximity to public transportation lines and
5 availability of parking;

6 (2) Geographic features, such as mountain passes, that
7 tend to affect access and convenience;

8 (3) Equitable distribution across the county so as to
9 afford maximally convenient options for voters;

10 (4) The existence and location of population centers;

11 (5) Access for persons with disabilities;

12 (6) Use of locations that have historically served as
13 polling places for a significant number of voters;

14 (7) Use of schools, recreational halls, park facilities,
15 and other publicly owned or controlled buildings that
16 are known to voters in the county, especially to the
17 extent that using such buildings results in cost
18 savings compared to other potential locations; and

19 (8) When private locations are considered or designated as
20 voter service centers in accordance with this section,

1 methods and standards to ensure the security of voting
2 conducted at such locations.

3 Each county clerk shall solicit public comments in proposing
4 voter service center locations and shall submit the proposed
5 locations to the chief election officer for approval. The chief
6 election officer shall adopt administrative rules, pursuant to
7 chapter 91, to prescribe the manner of submission, public
8 comment and notice requirements, deadline for submission, and
9 criteria for approval of proposed voter service center
10 locations.

11 (d) Each voter service center shall provide:

17 changed the voter's name to have the voter's name
18 changed in the voting records;

 2 precinct whether or not designated for postponement, including
 3 votes cast by mail or absentee ballot, shall not be disclosed to
 4 the public until voting for the postponed election has
 5 concluded. For candidates or questions not appearing on the
 6 ballot for the postponed election, the chief election officer,
 7 or county clerk in county elections may postpone the printout or
 8 other disclosure of the number of votes cast until voting for
 9 the postponed election has concluded."

10 SECTION 4. Section 11-1, Hawaii Revised Statutes, is
 11 amended as follows:

12 1. By adding four new definitions to be appropriately
 13 inserted and to read:
