Report Title:

Appropriations; Claims Against State

Description:

Makes appropriations for claims against the State, its officers, and its employees.

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.

JUSTIFICATION SHEET

DEPARTMENT: Attorney General

TITLE: A BILL FOR AN ACT MAKING APPROPRIATIONS FOR CLAIMS AGAINST THE STATE, ITS OFFICERS, OR ITS EMPLOYEES.

PURPOSE: Provide for the authorization and payment of claims against the State for refunds of taxes, for judgments and settlements, and for other miscellaneous payments as provided by chapters 37, 661, and 662, Hawaii Revised Statutes.

MEANS: Authorize and appropriate funds for the payment of such claims.

JUSTIFICATION: This bill serves as the vehicle by which claims against the State are transmitted to the Legislature for its consideration. The Legislature will be asked to authorize and fund the payment of such claims by an appropriation of general and special funds. Timely passage of this bill will serve to minimize interest on those amounts for which interest is accruing.

The general fund appropriation included in this measure has been made in accordance with the statutorily defined appropriation ceiling for the Executive Branch pursuant to section 37-92, Hawaii Revised Statutes. Including appropriations made up to and including the regular session of 2015, the Executive Branch appropriation ceiling for fiscal year 2015-2016 has already been exceeded by \$57,056,901 or 0.9 percent. Funding requested in this measure to provide for the authorization and payment of claims against the State will result in the appropriation ceiling for the Executive Branch to now be exceeded in fiscal year 2015-2016 by an additional \$7,303,100.00 or 0.11 percent. This current declaration

takes into account additional general fund appropriations authorized for fiscal year 2015-2016 in this measure only, and does not include other general fund appropriations for fiscal year 2015-2016 that may be authorized for the Executive Branch in other legislation submitted to the Legislature during the regular session of 2016.

Impact on the public: There would be no direct impact on the public other than the persons whose claims are being paid.

Impact on the department and other agencies: Claims eligible for payment from a special fund will generally be charged to that special fund rather than the general fund. Certain claims will be paid from a department's appropriation as reflected in the budget bill. In such case, that department will be responsible for finding the moneys in its budget to pay for the judgments and settlements rendered against it.

GENERAL FUND: \$7,303,100.00

OTHER FUNDS: \$650.000
