JUSTIFICATION SHEET

DEPARTMENT: Commerce and Consumer Affairs

TITLE: A BILL FOR AN ACT RELATING TO CITATIONS FOR MASSAGE THERAPY VIOLATIONS.

PURPOSE: To authorize the issuance of citations to licensees who violate specific massage therapy laws.

MEANS: Add a new section to chapter 452, Hawaii Revised Statutes (HRS).

JUSTIFICATION: Citations for unlicensed massage therapy activity are authorized under section 436B-26.5, HRS. Currently, there is no mechanism to issue citations for licensee conduct that violates chapter 452, HRS. This bill seeks to establish a citation process as an alternative means for the Massage Therapy Board (Board) to address specific massage therapy violations.

The bill also requires personal service of the citation upon the licensee and affords the licensee the opportunity to submit a written request for a hearing to contest the citation within twenty calendar days. The bill also provides that failure to pay any assessed fine within thirty calendar days may subject the licensee to further disciplinary action.

The citation process created in this bill will expedite enforcement of and promote swift compliance with massage therapy laws. The bill also will allow investigative staff to focus efforts and resources on more serious massage therapy violations.

Impact on the public: The public will benefit from quick enforcement against certain violations of the massage therapy laws.

Impact on the department and other agencies:  
The bill will improve the Department's ability to address technical, less serious massage therapy violations. No impact upon other agencies is anticipated.

GENERAL FUNDS: None.  
OTHER FUNDS: None.  
PPBS PROGRAM DESIGNATION: CCA-112.  
OTHER AFFECTED AGENCIES: None.  
EFFECTIVE DATE: July 1, 2016.
