JUSTIFICATION SHEET

DEPARTMENT: Human Services

TITLE: A BILL FOR AN ACT RELATING TO ORDERS FOR IMMEDIATE PROTECTION.

PURPOSE: To allow the Department of Human Services discretion when to seek an order for immediate protection of a vulnerable adult.

MEANS: Amend section 346-231(a), Hawaii Revised Statutes (HRS).

JUSTIFICATION: Section 346-231(a), HRS, is being amended to clarify that the department may seek an order for immediate protection when the department deems it appropriate under the circumstances. Seeking an order for immediate protection is one of the many remedial actions that the department is authorized to do, pursuant to section 346-228, HRS. The word "shall" is being deleted and replaced with the word "may" to clarify that the department has the option to seek an order for immediate protection when appropriate under the circumstances, and is not required to do so when other remedial actions to resolve matters are available and appropriate to prevent further abuse of the vulnerable adult.
