Report Title:

Workforce Development Council; Composition; Duties

Description:

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.

JUSTIFICATION SHEET

DEPARTMENT: Labor and Industrial Relations

TITLE: A BILL FOR AN ACT RELATING TO THE HAWAII WORKFORCE DEVELOPMENT COUNCIL.

PURPOSE: To conform chapter 202, Hawaii Revised Statutes (HRS), to the federal Workforce Innovation and Opportunity Act of 2014, effective July 1, 2015.

MEANS: Amend sections 202-1, 202-2 and 202-4, HRS.

JUSTIFICATION: Chapter 202, HRS, establishes the workforce development council to fulfill the functions of the workforce development board for purposes of the federal Workforce Investment Act of 1998, Public Law No. 105-220 (WIA). The federal Workforce Innovation and Opportunity Act of 2014, Public Law No. 113-128 (WIOA), effective July 1, 2015, supersedes the WIA and sets forth different council composition requirements, different state workforce development system plan specifications, and different council functions than the WIA.

The proposal conforms chapter 202, HRS, to WIOA council composition requirements, state workforce development plan specifications and council function requirements to qualify for continued receipt of federal funds. The state receives approximately \$6,000,000 per year from the federal government to invest in state workforce development, which could be endangered if the conforming amendments are not made.

Impact on the public: Receipt of \$6,000,000 per year of federal workforce funding for Hawaii is dependent on conforming chapter 202, HRS, to WIOA. This assures federal funds are invested in Hawaii for a stronger, streamlined, more accountable one-stop work

force development system, which benefits job seekers, employers, and Hawaii's economy.

Impact on the department and other agencies:

The WIOA requires the partners' participation in plan modification. Partners responsible for core employment services, training, and education programs include the Departments of Labor and Industrial Relations, Education, Human Services, Business, Economic Development and Tourism; the University of Hawaii, and county workforce boards. Plan changes required by the WIOA are intended to increase coordination, remove silos, improve service delivery, and produce cost efficiencies for the WIOA core and strategic partners.

GENERAL FUND: None.

OTHER FUNDS: Federal funds.

PPBS PROGRAM DESIGNATION: LBR135.

OTHER AFFECTED AGENCIES: Department of Education
Department of Human Services
Department of Business, Economic Development and Tourism
University of Hawaii System

EFFECTIVE DATE: Upon approval.
