
A BILL FOR AN ACT

RELATING TO MOTOR VEHICLE SAFETY CHECKS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that requiring owners of
2 motor vehicles to obtain vehicle safety inspection certificates
3 on an annual basis is unnecessary and burdensome. The purpose
4 of this Act is to reduce the frequency of motor vehicle safety
5 inspections for most passenger vehicles from once every twelve
6 months to once every twenty-four months.

7 SECTION 2. Section 286-26, Hawaii Revised Statutes, is
8 amended by amending subsection (b) to read as follows:

9 "(b) All other vehicles, including motorcycles, trailers,
10 semitrailers, and pole trailers having a gross vehicle weight
11 rating of 10,000 pounds or less, and antique motor vehicles as
12 defined in section 249-1, except those in subsections (c) and
13 (d), shall be certified as provided in subsection (e) every
14 [~~twelve~~] twenty-four months [~~; provided that any vehicle to which~~
15 ~~this subsection applies shall not require inspection within two~~
16 ~~years of the date on which the vehicle was first sold]~~."

H.B. NO. 2436

1 SECTION 3. Statutory material to be repealed is bracketed
2 and stricken. New statutory material is underscored.

3 SECTION 4. This Act shall take effect on July 1, 2016.
