# A BILL FOR AN ACT

RELATING TO LAW ENFORCEMENT.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The State of Hawaii employs numerous  
2 individuals whose responsibilities include law enforcement.  
3 Many state departments, including the department of public  
4 safety, department of transportation, department of land and  
5 natural resources, and department of the attorney general,  
6 employ individuals who maintain police powers and are often  
7 called upon to perform law enforcement duties and  
8 investigations. Some of these individuals include harbor police  
9 officers of the department of transportation, deputy sheriffs of  
10 the department of public safety, and division of conservation  
11 and resources' enforcement officers of the department of land  
12 and natural resources. However, no standardized law enforcement  
13 training for all state employees with law enforcement duties  
14 currently exists, thus requiring some state departments to hire  
15 personnel from other law enforcement agencies who have already  
16 received law enforcement training. This results in a limited  
17 pool of applicants from which personnel can be hired, thereby

1 creating vacancies in these departments. The legislature finds  
2 that creating a state law enforcement training academy would  
3 help the recruitment of personnel for law enforcement positions  
4 within state government as well as standardize law enforcement  
5 training among various state departments and agencies.

6 The purpose of this Act is to establish a state law  
7 enforcement training academy within the department of public  
8 safety.

14 the governor and legislature with its findings and  
15 recommendations relating to a plan for the state law enforcement  
16 training academy not later than December 31, 2017.

17 SECTION 4. There is appropriated out of the general  
18 revenues of the State of Hawaii the sum of \$ or so much  
19 thereof as may be necessary for fiscal year 2016-2017 for the  
20 establishment of the state law enforcement training academy.

1           The sum appropriated shall be expended by the department of
