
A BILL FOR AN ACT

RELATING TO HEALTH.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The state health planning and development
2 agency (SHPDA) is tasked with promoting accessibility to quality
3 health care services for all people of the State at reasonable
4 cost.

5 The legislature finds that health care payers collect and
6 analyze health care services claims and payment information for
7 federal regulatory compliance and business accounting purposes.
8 Reporting health care services claims and payment information to
9 SHPDA would support collection analysis and dissemination of
10 medical treatment claims and payment information, and lend to
11 transparency in the health care sector and support public policy
12 decisionmaking. The legislature believes that consumers of
13 health care and state decisionmakers who regulate health care
14 and insurance should have access to health care claims payment
15 data and analytics.

16 The purpose of this Act is to facilitate greater
17 transparency in the health care sector by broadening the scope

1 of health and health care data and other information, including
2 health care services claims and payment information, submitted
3 to SHPDA.

4 SECTION 2. Section 323D-18, Hawaii Revised Statutes, is
5 amended to read as follows:

13 all information regarding claims or payments for
14 health care services submitted to or received from any
15 payer or insurer, and information about the nature of
16 the reimbursement and the amounts of any
17 administrative fees, discounts, incentive payments, or
18 performance bonuses.
- 19 (b) The state agency shall submit acquired data to a
20 state-designated data center that shall comply with the conflict
21 of interest provisions of section 2794(d)(2) of the federal

1 Patient Protection and Affordable Care Act that requires a data
 2 center established under section 2794(c)(1)(C) of the federal
 3 Patient Protection and Affordable Care Act to adopt by-laws
 4 ensuring that the center and all members of the center's
 5 governing board are independent and free from all conflicts of
 6 interest."

7 SECTION 3. Section 323D-18.5, Hawaii Revised Statutes, is
 8 repealed.

9 ~~["~~§323D-18.5~~ Information from providers of health~~
 10 ~~insurance. The state agency may request providers of health~~
 11 ~~insurance doing business in the State to submit to the state~~
 12 ~~agency available statistical, financial, and other reports of~~
 13 ~~information that the state agency finds necessary to perform its~~
 14 ~~functions."]~~
