
A BILL FOR AN ACT

RELATING TO A GENERAL EXCISE TAX EXEMPTION FOR MIXED-USE HOUSING
PROJECTS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that plans for growth
2 outside the urban core and development of corresponding
3 amenities generally increase nearby land and housing values.
4 Market forces have historically failed to generate affordable
5 housing in these areas, making it incumbent upon the government
6 to intervene where market forces fail to create the desired
7 solution.

8 Location-efficient housing on state or county land requires
9 that affordable housing units consist of high-density vertical
10 housing within mixed-use environments to ensure that the
11 greatest number of potential tenants and purchasers can avail
12 themselves of its conveniences and cost savings.

13 SECTION 2. Chapter 201H, Hawaii Revised Statutes, is
14 amended by adding a new section to part II to be appropriately
15 designated and to read as follows:

1 "§201H- Mixed-use housing projects. (a) The
2 corporation may develop, on behalf of the State or with any
3 qualified person or firm, a mixed-use project within a location-
4 efficient area.

5 (b) The corporation may approve and certify any qualified
6 person or firm who is involved in the development of affordable
7 housing in a newly constructed, or moderately or substantially
8 rehabilitated, mixed-use project within a location-efficient
9 area for purposes of receiving the general excise tax exemption
10 authorized pursuant to sections 201H-36 and 237-29 in taxable
11 years beginning after December 31, 2016.

12 (c) All claims under this section shall be filed with, and
13 certified by, the corporation and forwarded to the department of
14 taxation. Any claim that is filed with, and certified by, the
15 corporation shall not be considered a subsidy for the purposes
16 of this part.

17 (d) For the purposes of this section:

18 "Location-efficient area" means one or more contiguous
19 parcels of land aggregating one or more acres that are owned by
20 the State or a county, at least one parcel of which is located

1 within half a mile of a mass transit station or proposed mass
2 transit station.

3 "Mixed-use project" means a project that:

4 (1) Is located in a location-efficient area;

5 (2) Contains affordable multi-family residential dwelling
6 units that may be combined with governmental,
7 educational, commercial, cultural, institutional, or
8 industrial uses;

9 (3) Is approved by the county in which the project is
10 located; and

11 (4) Is subject to chapter 104; title 40 United States Code
12 sections 3141, 3142, 3143, 3144, 3146, and 3147; or a
13 project labor agreement by law or contract in the
14 construction of the project.

15 (e) The corporation may establish, revise, charge, and
16 collect a reasonable service fee, as necessary, in connection
17 with its approvals and certifications under this section. Any
18 fees collected shall be deposited into the dwelling unit
19 revolving fund.

1 (f) The corporation, in consultation with the department
2 of taxation, shall adopt rules pursuant to chapter 91 for the
3 purposes of this section requiring that:

4 (1) Any certification or approval of a general excise tax
5 exemption for a qualified person or firm involved in
6 the development of a mixed-use project pursuant to
7 this section shall apply to the development of the
8 entire mixed-use project;

9 (2) Cost savings from a general excise tax exemption
10 granted to a qualified person or firm for the
11 development of a mixed-use project pursuant to this
12 section shall be used exclusively to provide
13 affordable rental housing units, including student and
14 faculty housing units, within the mixed-use project;
15 and

16 (3) Affordable rental housing units developed pursuant to
17 this section shall serve as many low income households
18 as feasible."

19 SECTION 3. Section 46-15.1, Hawaii Revised Statutes, is
20 amended by amending subsection (a) to read as follows:

2 shall have and may exercise the same powers, subject to
3 applicable limitations, as those granted the Hawaii housing
4 finance and development corporation pursuant to chapter 201H
5 insofar as those powers may be reasonably construed to be
6 exercisable by a county for the purpose of developing,
7 constructing, and providing low- and moderate-income housing;
8 provided that no county shall be empowered to cause the State to
9 issue general obligation bonds to finance a project pursuant to
10 this section; provided further that county projects shall be
11 granted an exemption from general excise or receipts taxes in
12 the same manner as projects of the Hawaii housing finance and
13 development corporation pursuant to section 201H-36, except that
14 no county shall certify an exemption pursuant to section 201H-36
15 for a mixed-use project under section 201H-_____; and provided
16 further that section 201H-16 shall not apply to this section
17 unless federal guidelines specifically provide local governments
18 with that authorization and the authorization does not conflict
19 with any state laws. The powers shall include the power,
20 subject to applicable limitations, to:

- 1 (1) Develop and construct dwelling units, alone or in
2 partnership with developers;
- 3 (2) Acquire necessary land by lease, purchase, exchange,

7 property;

8 (8) Provide funds for a share, not to exceed fifty per
9 cent, of the principal amount of a loan made to a
10 qualified borrower by a private lender who is unable
11 otherwise to lend the borrower sufficient funds at
12 reasonable rates in the purchase of residential
13 property; and

14 (9) Sell or lease completed dwelling units.

15 For purposes of this section, a limitation is applicable to
16 the extent that it may reasonably be construed to apply to a
17 county."
