Dear Chair Nishihara and Members of the Committee on Transportation:

We submit this testimony on behalf of Enterprise Holdings, which includes Enterprise Rent-A-Car, Alamo Rent-A-Car, National Car Rental, Enterprise CarShare and Enterprise RideShare.

Enterprise supports S.B. 128 proposed S.D.1, which appropriates funds for a grant-in-aid to the City and County of Honolulu to operate a vanpool program. Vanpool programs promote an enhanced quality of life and help to reduce our state's dependence on fossil fuels by reducing the number of vehicles on the road and alleviating traffic conditions. Enterprise supports the state's focused efforts to reduce fossil fuel consumption in the transportation sector in particular, and looks forward to ways to partner with the state to provide alternative commuting options. For these reasons, we ask this Committee to pass S.B. 128 proposed S.D.1.

Thank you for the opportunity to submit testimony on this measure.
