# A BILL FOR AN ACT

RELATING TO SERVICE AREA BOARDS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Section 334-11, Hawaii Revised Statutes, is  
2 amended to read as follows:

3           "**§334-11 Service area boards.** (a) A service area board  
4 shall be established to advise each service area administrator.  
5 Each board shall consist of nine members appointed by the  
6 governor, who shall serve for terms to be determined by the  
7 governor. After the initial appointees, the governor shall fill  
8 each vacancy on a board by appointing a member from a list of  
9 four persons submitted by that board, except that, if the board  
10 is unable to achieve a quorum at two consecutive meetings called  
11 for the purpose of making such a list, the list may be provided  
12 by a group of at least seven service area consumers and  
13 nonproviders of mental health services. This group shall  
14 consist of all board members willing to participate in making  
15 the list and other area consumers and nonproviders of mental  
16 health services to be selected by the service area board  
17 chairperson and service area administrator. Any meeting called

1 for the purpose of making the list shall be subject to part I of  
2 chapter 92. The members of the board shall be service area  
3 residents, who are consumers or nonproviders of mental health  
4 services and service area providers with a majority being non-  
5 state employees and nonproviders of mental health or other  
6 health services.

7 Each board shall elect a chairperson from among its  
8 members. All members shall serve without compensation but shall  
9 be paid their necessary expenses in attending meetings of the  
10 board.

11 (b) Each service area administrator and board, in  
12 consultation with public and private providers, shall  
13 participate in the development of comprehensive integrated  
14 service area plans and budgets. Each board shall advise the  
15 service area administrator about service area needs to prevent  
16 and treat mental or emotional disorders, combined mental illness  
17 substance abuse disorders, and persons afflicted by these  
18 disorders, and provide advice, guidance, and recommendations to  
19 both the advisory commission on drug abuse and controlled  
20 substances, section 329-2, and the state council on mental  
21 health, section 334-10, as they deem appropriate.

1 (c) If a service area administrator's actions are not in  
2 conformance with the board's planning decisions, the service  
3 area administrator shall provide a written explanation to the  
4 board.

5 (d) A quorum for purposes of doing business shall consist  
6 of a majority of the members serving on a board immediately  
7 before a meeting begins.

8 (e) If a quorum is present when a vote is taken, the  
9 affirmative vote of a majority of the members present shall  
10 constitute a valid act of a board unless this chapter, the  
11 articles, or the bylaws require the vote of a greater number of  
12 members."

13 SECTION 2. New statutory material is underscored.

14 SECTION 3. This Act shall take effect upon its approval.
