# A BILL FOR AN ACT

RELATING TO WILDLIFE.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. The interstate wildlife violator compact is a  
2 multistate agreement that promotes enforcement of hunting,  
3 fishing, trapping, and other wildlife related regulations across  
4 jurisdictions. For example, the interstate wildlife violator  
5 compact could prevent wildlife violators who have lost their  
6 hunting, fishing, trapping, or other wildlife related privileges  
7 in other member states from obtaining a hunting license in  
8 Hawaii. Similarly, persons who have been punished with license  
9 revocation in Hawaii would be unable to avoid this punishment by  
10 engaging in those activities in another state. The compact also  
11 establishes a process by which nonresident wildlife law  
12 violators can be treated as state residents for purposes of law  
13 enforcement, thereby easing the administrative burden on the  
14 enforcement agency and reducing enforcement gaps that may allow  
15 the violator to fail to comply with the terms of the citation.  
16 The legislature finds that reciprocity agreements such as the  
17 interstate wildlife violator compact are an important part of  
18 any law enforcement effort.

1           The interstate wildlife violator compact is modeled after  
2 the successful multistate driver license compact and nonresident  
3 violator compact. Hawaii is party to both compacts. Forty-  
4 seven states have passed legislation necessary to join the  
5 interstate wildlife violator compact.

6           The legislature further finds that existing member states  
7 to the interstate wildlife violator compact have reported little  
8 to no added costs or administrative burdens associated with  
9 participating in the compact. The information system that  
10 facilitates participation is available for free to member  
11 states.

12           The purpose of this Act is to allow the department of land  
13 and natural resources to become a member of the interstate  
14 wildlife violator compact or similar agreement.

15           SECTION 2. Chapter 183D, Hawaii Revised Statutes, is  
16 amended by adding a new section to part I to be appropriately  
17 designated and to read as follows:

18           "§183D-           Interstate wildlife violator compact. (a) The  
19 department may enter into the interstate wildlife violator  
20 compact or similar agreement, whether in the form of a  
21 memorandum of understanding, written agreement, or mutual aid

1 compact, with an appropriate state, federal, or foreign entity  
2 for mutual assistance in the enforcement of hunting, fishing,  
3 and other wildlife laws, rules, or regulations in their  
4 respective jurisdictions.

5 (b) Employees of the department who perform an act of  
6 omission or commission in administering or enforcing the terms  
7 or conditions of the agreement entered into pursuant to  
8 subsection (a), if the act is within the course and scope of  
9 their employment in administering or enforcing the agreement,  
10 shall be:

11 (1) Immune from civil liability for damages;  
12 (2) Entitled to legal representation for defense of legal  
13 actions in which they are a named party or of claims  
14 in which they are implicated; and  
15 (3) Entitled to indemnification for any damages arising  
16 from legal actions or claims resulting therefrom.

17 (c) The department may adopt rules pursuant to chapter 91  
18 necessary for enforcement of the agreement entered into pursuant  
19 to subsection (a)."

20 SECTION 3. There is appropriated out of the general  
21 revenues of the State of Hawaii the sum of \$                    or so much

1 thereof as may be necessary for fiscal year 2016-2017 for the  
2 department of land and natural resources to enter into the  
3 interstate wildlife violator compact.

4 The sum appropriated shall be expended by the department of  
5 land and natural resources for the purposes of this Act.

6 SECTION 4. New statutory material is underscored.

7 SECTION 5. This Act shall take effect on July 1, 2050.
