A BILL FOR AN ACT

RELATING TO THE KIHEI BOAT HARBOR.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. In Hawaii, small boat harbors play an important
2 role to the ocean recreational experiences of residents and
3 visitors. Such experiences include yacht racing, canoe
4 regattas, board sailing, ocean swimming, and surfing. The
5 legislature finds that the quality of ocean recreation
6 experiences may be diminished by the inadequate upkeep of the
7 State's boating facilities.

8 The legislature further finds that despite the State's
9 efforts to dredge the channel entrance and turning basin in
10 2007, launching and vessel retrieval problems continue to
11 persist creating unsafe conditions during certain ocean
12 conditions.

13 SECTION 2. The director of finance is authorized to issue
14 general obligation bonds in the sum of \$800,000 or so much
15 thereof as may be necessary and the same sum or so much thereof
16 as may be necessary is appropriated for fiscal year 2016-2017

1 for the purpose of designing, permitting, and dredging the Kihei
2 Boat Harbor.

3 1. Kihei Boat Ramp

4	Maintenance Dredging	\$750,000	
5	Design/Permitting	\$50,000	
6	Total funding		\$800,000
