
A BILL FOR AN ACT

RELATING TO NURSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds there is a need to
2 protect public safety by ensuring that licensed nurses are safe
3 to practice and care for patients. While nearly all
4 jurisdictions require applicants for nurse licensure to self-
5 report any criminal history upon application for licensure, data
6 reflects that many nurses with criminal histories fail to do so.
7 According to information published by the National Council of
8 State Boards of Nursing, there may be criminal history within
9 the background of an applicant that could violate public trust
10 and jeopardize the safety of patients.

11 The legislature further finds that the Council of State
12 Governments recommends that each state work with its board of
13 nursing to develop plans to conduct comprehensive federal and
14 state criminal background checks as part of nurse licensure
15 protocol. Of the fifty-five boards of nursing nationwide,
16 currently Hawaii is one of only twelve states that do not
17 conduct federal and state criminal background checks. The
18 legislature finds that boards of nursing, employers, and other

1 stakeholders need criminal history information to ensure that a
2 nurse is safe and unlikely to harm patients.

3 Accordingly, the purpose of this Act is to:

4 (1) Require all nurse licensure applicants, beginning with
5 the July 1, 2017, licensing biennium, and all nurse
6 license renewal applicants, beginning with the July 1,
7 2019, licensing biennium, to comply with criminal
8 history record checks; and

9 (2) Authorize the state board of nursing to:

10 (A) Reactivate licenses and conduct investigations of
11 applicants;

12 (B) Request, beginning July 1, 2017, criminal history
13 records of qualified applicants and request, no
14 later than July 1, 2023, criminal history records
15 required for licensees who were issued licenses
16 prior to July 1, 2017; and

17 (C) Develop rules necessary to implement the required
18 criminal history record checks.

19 SECTION 2. Section 457-5, Hawaii Revised Statutes, is
20 amended by amending subsection (a) to read as follows:

1 "(a) In addition to any other powers and duties authorized
2 by law, the board may:

- 3 (1) Adopt, amend, or repeal rules, pursuant to chapter 91,
4 not inconsistent with the law, as may be necessary to
5 enable it to carry into effect this chapter, including
6 the definition of the scope of practice of nursing and

8 professional nursing standards, which include but are

6 allowable by law, with any board-approved organization

11 such an examination. When such a national examination

13 restricted by the board; [and]

14 (15) Develop and adopt rules as necessary relating to the
