
A BILL FOR AN ACT

RELATING TO LICENSING OF PRIVATE TRADE, VOCATIONAL, AND
TECHNICAL SCHOOL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that private trade,
2 vocational, and technical schools provide specialized training
3 for a number of professions in the State, including those in
4 massage therapy, healthcare, tax preparation, and maritime
5 activities. Section 302A-425, Hawaii Revised Statutes,
6 prohibits such schools and other private organizations or
7 corporations from operating prior to being licensed by the
8 department of education. The department of education has had
9 this responsibility since 1939, when the focus of such
10 regulation was to ensure the quality of education and
11 instruction at those schools providing post-secondary training
12 below the college level.

13 The legislature further finds that Act 57, Session Laws of
14 Hawaii 1998, amended section 302A-425, Hawaii Revised Statutes,
15 to declare that the purpose of such regulation is to protect
16 consumers from false, deceptive, misleading, and unfair
17 practices and to ensure adequate educational quality. Auditor's

1 Report No. 02-08, *A Study on the Licensing of Private Trade,*
2 *Vocational, and Technical Schools,* acknowledged that the
3 declaration of purpose added to section 302A-425, Hawaii Revised
4 Statutes, by Act 57, Session Laws of Hawaii 1998, brought into
5 question the appropriateness of the program's administrative
6 placement within the department of education.

7 The legislature additionally finds that, during the regular
8 session of 2015, the legislature passed S.C.R. No. 46, S.D. 2,
9 requesting the department of commerce and consumer affairs and
10 department of education to convene a working group to evaluate
11 and review the current licensing program for private trade,
12 vocational, and technical schools. The working group
13 collaborated to gather information and develop findings and
14 recommendations. The working group jointly recommended that the
15 licensure program be narrowed in scope, but were unable to come
16 to any other joint recommendations.

17 The legislature finds, however, that the department of
18 education is no longer an appropriate location for such a
19 licensing program. The department of education's primary
20 mission is educating students in grades kindergarten through
21 twelve, and lacks experience providing post-secondary education

1 and regulating post-secondary institutions. The legislature
2 further finds that the department of education does not have the
3 capacity or expertise in the specialized curricula of the
4 various private trade, vocational, and technical schools
5 currently under its licensing jurisdiction to effectively
6 administer the requirements of section 302A-425, Hawaii Revised
7 Statutes.

8 The legislature additionally finds that the department of
9 commerce and consumer affairs has established licensing and
10 regulation processes, consistent with its mission of consumer
11 protection, and several trade and vocational schools now receive
12 state licensure for business operations through the department
13 of commerce and consumer affairs. Consequently, the legislature
14 also finds that the regulation and licensing of private trade,
15 vocational, and technical schools at the post-secondary level
16 belongs more appropriately within the department of commerce and
17 consumer affairs.

18 The purpose of this Act is to transfer the licensing and
19 regulation program for private trade, vocational, and technical
20 schools from the department of education to the department of
21 commerce and consumer affairs.

1 SECTION 2. The Hawaii Revised Statutes is amended by
2 adding a new chapter to be appropriately designated and to read
3 as follows:

4 "CHAPTER

18 chapter and in such form as the department of commerce and
19 consumer affairs may direct.

20 (b) This chapter shall only apply to those private trade,

14 for an initial application and renewal application, for the
15 licensing of private trade, vocational, and technical schools
16 subject to this chapter.

17 § -4 **Suspension and revocation of license; procedure.**

18 (a) The department of commerce and consumer affairs, after
19 notice and opportunity for a hearing, may suspend or revoke a
20 license at any time when, in the judgment of the department of
21 commerce and consumer affairs, the licensee is not complying

1 with this chapter or rules adopted by the department of commerce
2 and consumer affairs. The notice of hearing shall be served
3 personally or sent to the licensee by registered or certified
4 mail with return receipt at the licensee's last known address.

5 (b) Notice of suspension or revocation shall be served
6 personally upon the licensee or sent to the licensee by
7 registered or certified mail with return receipt, and the
8 licensee shall forward the licensee's license at once to the
9 department of commerce and consumer affairs and immediately
10 cease to operate the private trade, vocational, or technical
11 school.

12 (c) All proceedings shall be subject to chapter 91.

13 § -5 **Penalty.** Any person, firm, or corporation that
14 violates the requirements of this chapter shall be fined not
15 more than \$100, or imprisoned not more than ninety days, or
16 both, for each violation.

17 § -6 **Rules.** The department of commerce and consumer
