# A BILL FOR AN ACT

RELATING TO HEALTH.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Chapter 329, Hawaii Revised Statutes, is  
2 amended by adding two new sections to part I to be appropriately  
3 designated and to read as follows:

4           "§329-A Narcotics enforcement and prescription drug  
5 monitoring advisory committee; established. (a) There is  
6 established a narcotics enforcement and prescription drug  
7 monitoring advisory committee within the department of health  
8 for administrative purposes. The committee shall be composed of  
9 five members appointed by the governor in accordance with  
10 section 26-34. Of the five members:

11           (1) One member shall be a physician licensed in accordance  
12 with chapter 453, specializing in pain medicine;

13           (2) One member shall be a physician licensed in accordance  
14 with chapter 453, specializing in family medicine;

15           (3) One member shall be a physician licensed in accordance  
16 with chapter 453, specializing in internal medicine;

17           (4) One member shall be a physician licensed in accordance  
18 with chapter 453 or a psychologist licensed in

1 accordance with chapter 465, specializing in substance  
2 use and addiction; and

3 (5) One member shall be a registered pharmacist, as  
4 defined in section 461-1.

5 (b) All members shall serve for a term of four years. Any  
6 vacancies occurring in the membership of the committee shall be  
7 filled for the remainder of the unexpired term in the same  
8 manner as the original appointments.

9 (c) The purpose of the narcotics enforcement and  
10 prescription drug monitoring advisory committee shall be to  
11 advise and assist the department of public safety narcotics  
12 enforcement division by:

13 (1) Monitoring and reviewing statewide statistics  
14 regarding drug prescriptions, including patient and  
15 provider information;

16 (2) Identifying the top twenty per cent of all drug  
17 prescribers based on the number of prescription drugs  
18 prescribed and the total number of pills dispensed;

19 (3) Ascertaining whether the State has met community  
20 standards of care and specialty standards of care and

1 coordinating with the state medical board if there has  
2 been a deviation from standards of care; and

- 3 (4) Providing recommendations regarding state-designated  
4 pain programs, opioid-use policy, continuing medical  
5 education requirements concerning drug prescriptions,  
6 and the Hawaii drug take-back and education initiative  
7 program established in section 329-B.

8 **§329-B Hawaii drug take-back and education initiative;**  
9 **established.** There shall be established within the department  
10 of public safety the Hawaii drug take-back and education  
11 initiative. The objectives of the Hawaii drug take-back and  
12 education initiative shall include the following:

- 13 (1) Organization of the safe return and disposal of drugs  
14 through a drug take-back event, which shall meet the  
15 requirements of federal law, each quarter;  
16 (2) Development of strategic partnership recommendations  
17 to incentivize the return and disposal of drugs;  
18 (3) Initiatives, in collaboration with the department of  
19 health and the narcotics enforcement and prescription  
20 drug monitoring advisory committee, to expand and

1           coordinate education programs, partnerships, and  
2           federal grants; and  
3       (4) Integration of recommendations from the narcotics  
4           enforcement and prescription drug monitoring advisory  
5           committee established in section 329-A."

6           SECTION 2. In codifying the new sections added by section  
7 1 of this Act, the revisor of statutes shall substitute  
8 appropriate section numbers for the letters used in designating  
9 the new sections in this Act.

10           SECTION 3. New statutory material is underscored.

11           SECTION 4. This Act shall take effect on July 1, 2015.
