
A BILL FOR AN ACT

RELATING TO MOTOR VEHICLE DRIVER LICENSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the federal REAL ID
2 Act of 2005, Pub. L. No. 109-13, requires states to comply with
3 federally mandated eligibility criteria in issuing driver's
4 licenses, including the requirement of proof of lawful presence
5 in the United States. Accordingly, a person who does not submit
6 satisfactory proof of the person's legal presence in the United
7 States, as authorized by federal law, cannot legally operate a
8 motor vehicle. The REAL ID Act, however, specifically allows
9 states to issue driver's licenses that do not comply with the
10 minimum federal use requirements and standards of the REAL ID
11 Act, a critical exception. Since 2010 when the State
12 implemented the restrictive identification requirements for
13 driver's licenses, a significant number of residents have become
14 unable to carry out necessary daily activities unless they
15 operate motor vehicles without a license, and therefore, without
16 insurance.

17 The heightened requirements unduly burden elderly
18 residents, houseless individuals, undocumented immigrants,

1 lawfully present nonimmigrants, and survivors of gender-based
2 violence. The lack of access to licensure hinders the ability
3 to drive safely, legally, and insured to work, to church, to run
4 errands, to drop children off to school and drive them to
5 medical appointments. Women in particular are
6 disproportionately impacted by these requirements because they
7 are often the primary caretakers of children.

8 In recent years, there has been a significant increase in
9 state efforts to expand access to driver's licenses for persons
10 who cannot provide proof of authorized presence in the United
11 States. Several states now grant access to a driver's license
12 regardless of immigration status and only require that the
13 applicant establish evidence of current residency in the
14 respective state.

15 The legislature further finds that the lack of access to
16 driver's licensure as a result of restrictive identification
17 requirements poses a serious threat to public safety. Allowing
18 all age-qualifying residents to obtain driver's licenses will
19 improve public safety by ensuring that all drivers are tested
20 for driving skills and able to acquire motor vehicle insurance.

1 It is not the intent of this Act to jeopardize the State's
 2 compliance with the REAL ID Act of 2005 or the receipt of any
 3 federal grants or funding. Issuing restricted driver's licenses
 4 clearly marked as not acceptable for federal identification
 5 purposes for the limited purpose of driving a motor vehicle, is
 6 permissible and will not jeopardize the State's eligibility for
 7 federal grants or funding.

8 The purpose of this Act is to enable the appropriate
 9 licensing authority in each county to issue uniquely identified
 10 limited purpose driver's licenses, provisional driver's
 11 licenses, and instruction permits to residents who meet the
 12 other qualifications for licensure or permit and provide
 13 satisfactory proof of their identity and state residency.

14 SECTION 2. Chapter 286, Hawaii Revised Statutes, is
 15 amended by adding a new section to be appropriately designated
 16 and to read as follows:

17 "§286- Limited purpose driver's license, limited purpose
 18 provisional driver's license, and limited purpose instruction
 19 permits. (a) Notwithstanding section 286-104(7) to the
 20 contrary, every person who submits an application for a driver's
 21 license, provisional driver's license, or instruction permit

1 that satisfies the requirements of this chapter except for the
2 applicant's inability or refusal to provide satisfactory proof
3 of authorized presence in the United States under federal law
4 shall be issued a limited purpose driver's license, a limited
5 purpose provisional driver's license, or a limited purpose
6 instruction permit that is uniquely identified in compliance
7 with the REAL ID Act of 2005 upon satisfactory proof to the
8 examiner of drivers of the applicant's identity and residency in
9 the State. The examiner of drivers shall accept various types
10 of documentation for the purpose of establishing the applicant's
11 identity and residency in the State, which may be established by
12 more than one document. Acceptable documentation includes:

- 13 (1) A valid, unexpired consular identification document
14 issued by a consulate from the applicant's country of
15 citizenship or a valid, unexpired passport from the
16 applicant's country of citizenship;
- 17 (2) An original birth certificate or other proof of age,
18 as designated by the examiner of drivers;
- 19 (3) A current home utility bill, lease, or rental
20 agreement, or deed or title to real property in the
21 State, as designated by the examiner of drivers;

- 1 (4) A United States Department of Homeland Security Form
2 I-589, Application for Asylum and for Withholding of
3 Removal;
- 4 (5) An official school or college transcript that includes
5 the applicant's date of birth or a foreign school
6 record that is sealed and includes a photograph of the
7 applicant at the age the record was issued;
- 8 (6) An official school or college identification card that
9 includes the applicant's full name and a photograph of
10 the applicant at the time the identification was
11 issued;
- 12 (7) A United States Department of Homeland Security Form
13 I-20 or Form DS-2019;
- 14 (8) A United States Customs and Immigration Services
15 Deferred Action for Childhood Arrival Approval Letter;
- 16 (9) A valid identification card for health benefits;
- 17 (10) A valid identification card for an assistance or
18 social services program;
- 19 (11) A current voter registration card issued by the State;
- 20 (12) A wage stub issued in the last six months;
- 21 (13) An income tax return filed in the last two years;

- 1 (14) A social security card;
- 2 (15) One of the following documents which, if in a language
- 3 other than English, shall be accompanied by a
- 4 certified translation or an affidavit of translation
- 5 into English:
- 6 (A) Marriage license or divorce certificate;
- 7 (B) Foreign federal electoral photo card issued on or
- 8 after January 1, 1991;
- 9 (C) Foreign student identification card; or
- 10 (D) Foreign driver's license; or
- 11 (16) Other proof of Hawaii residency as designated by the
- 12 director.
- 13 (b) Except as otherwise provided in this subsection, every
- 14 application under this section shall be made upon the form and
- 15 in the manner required by section 286-111 and shall be
- 16 accompanied by the fee established for non-limited purpose
- 17 licenses or permits pursuant to section 286-111. The examiner
- 18 of drivers shall not require any applicant under this section to
- 19 furnish information regarding the applicant's eligibility or
- 20 ineligibility for a social security number. The examiner shall

1 not disclose the identity of any applicant who does not provide
2 a social security card or social security number.

3 (c) Every limited purpose driver's license, limited
4 purpose provisional driver's license, and limited purpose
5 instruction permit issued pursuant to this section shall on its
6 face and machine readable zone bear the phrase, "Not acceptable
7 for official federal purposes", and on its reverse bear the
8 phrase, "This license is issued only as a license to drive a
9 motor vehicle. It does not establish eligibility for
10 employment, voter registration, or public benefits", and be of a
11 unique design or color indicator that clearly distinguishes them
12 from the State's compliant driver's licenses, provisional
13 driver's licenses, and instruction permits. If the United
14 States Department of Homeland Security determines that limited
15 purpose licenses or permits issued pursuant to this section do
16 not satisfy the requirements of title 6 Code of Federal
17 Regulations section 37.71, adopted pursuant to section 202 of
18 the Real ID Act of 2005, Public Law 109-13, the examiner of
19 drivers, under the direction of the department, shall modify the
20 limited purpose licenses and permits issued pursuant to this

1 section only to the extent necessary to satisfy the requirements
2 of the federal law.

3 (d) Every limited purpose driver's license and limited
4 purpose provisional driver's license shall expire in accordance
5 with section 286-106, and every limited purpose instruction
6 permit shall expire in accordance with section 286-110.

7 (e) A limited purpose driver's license or limited purpose
8 provisional driver's license may be renewed in accordance with
9 section 286-107 and reactivated in accordance with section 286-
10 107.5. A limited purpose instruction permit may be renewed in
11 accordance with section 286-110.

12 (f) It shall be a violation of law to discriminate against
13 a person because the person applied for, was denied, was issued,
14 holds, or presents a limited purpose driver's license, limited
15 purpose provisional driver's license, or limited purpose
16 instruction permit.

17 (g) A limited purpose license or limited purpose
18 instruction permit issued pursuant to this section shall not be
19 used to consider a person's citizenship or immigration status as
20 a basis for a criminal investigation, arrest, or detention.

1 (h) Documents and information collected pursuant to an
 2 application for, denial of, or issuance of a limited purpose
 3 driver's license, limited purpose provisional driver's license,
 4 or limited purpose instruction permit shall be confidential and
 5 shall not be disclosed by the examiner of drivers or the
 6 department except as required by law.

7 (i) The director shall adopt rules in accordance with
 8 chapter 91 to implement this section."

9 SECTION 3. Section 286-102, Hawaii Revised Statutes, is
 10 amended by amending subsection (a) to read as follows:

11 "(a) No person, except one [exempted]:

12 (1) Exempted under section 286-105 [~~one who~~];

13 (2) Who holds an instruction permit under section
 14 286-110 [~~one who~~];

15 (3) Who holds a limited purpose driver's license, limited
 16 purpose provisional driver's license, or limited

 19 286-102.6 [~~one who~~];

2 permit issued under section 286-236,
3 shall operate any category of motor vehicles listed in this
4 section without first being appropriately examined and duly
5 licensed as a qualified driver of that category of motor
6 vehicles."

7 SECTION 4. Section 286-110, Hawaii Revised Statutes, is
8 amended by amending subsection (a) to read as follows:

9 "(a) Any person aged fifteen years and six months or more
10 who, except for the person's lack of instruction in operating a
11 motor vehicle, would be qualified to obtain a driver's license
12 issued under this part may apply for a temporary instruction
13 permit or a limited purpose instruction permit at the office of
14 the examiner of drivers in the county in which the applicant
15 resides; provided that the applicant complies with section
16 286-102.5."

17 SECTION 5. Section 286-111, Hawaii Revised Statutes, is
18 amended as follows:

19 1. By amending subsection (a) to read:

20 "(a) Every application for an instruction permit,
21 provisional license, [~~or~~] driver's license, limited purpose

1 driver's license, limited purpose provisional driver's license,
2 or limited purpose instruction permit shall be made upon a form
3 furnished by the examiner of drivers and shall be verified by
4 the applicant before a person authorized to administer oaths.
5 The examiner of drivers and officers serving under the examiner
6 may administer the oaths without charge. Each application for
7 an instruction permit for a category (1), (2), (3), or (4)
8 license shall be accompanied by a fee to be determined by the
9 council of each county, and each application for a provisional
10 license or driver's license shall be accompanied by the fee,
11 unless the applicant has already paid the fee upon application
12 for an instruction permit in the same county, in which event no
13 fee shall be charged. An additional fee to be determined by the
14 council of each county shall be charged and collected upon the
15 issuance of a provisional license or driver's license. All of
16 the foregoing fees shall become county realizations."

17 2. By amending subsection (e) to read:

18 "(e) [~~If~~] Except as provided in section 286- , if the
19 applicant is not eligible to receive a social security number,
20 the applicant shall submit, in lieu of providing proof of social
21 security number pursuant to subsection (d):

1 (1) A United States Social Security Administration letter
2 stating that the applicant is ineligible to obtain a
3 social security number; and

4 (2) Either:

5 (A) A government-issued photo identification
6 document; or

7 (B) Other identification documents as deemed
8 acceptable by the director."

9 SECTION 6. This Act does not affect rights and duties that
10 matured, penalties that were incurred, and proceedings that were
11 begun before its effective date.
