

STAND. COM. REP. NO. 3691

Honolulu, Hawaii

APR 22 2016

RE: GOV. MSG. NO. 805

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committee on Higher Education and the Arts, to which was referred Governor's Message No. 805, submitting for study and consideration the nomination of:

BOARD OF DIRECTORS OF THE RESEARCH CORPORATION OF THE UNIVERSITY
OF HAWAII

G.M. No. 805 KELLI GOODIN,
for a term to expire 06-30-2019,

begs leave to report as follows:

Your Committee received testimony in support of the nomination for the appointment of Kelli Goodin from the University of Hawai'i System, Research Corporation of the University of Hawai'i, and five individuals.

Upon review of the testimony, your Committee finds that Ms. Goodin's professional experience and background qualify her for appointment to the Board of Directors of the Research Corporation of the University of Hawai'i as a representative of a non-University of Hawai'i research organization. Your Committee notes that Ms. Goodin is a University of Hawai'i alumnus, and as an engineer in Hawaii Ms. Goodin has collaborated on contracts and grants with University researchers. Ms. Goodin has over twenty-five years of experience managing complex engineering projects. Your Committee finds that Ms. Goodin has built a strong reputation in Hawaii's engineering and research communities, earning support for her nomination from academic professionals at the University and from professionals in Hawaii's private engineering industry.

Your Committee further finds that Ms. Goodin has been nominated for appointment to the Board of Directors of the Research Corporation of the University of Hawai'i as a representative of a non-University of Hawai'i research organization based on her knowledge, experience, and commitment to public service.

As affirmed by the record of votes of the members of your Committee on Higher Education and the Arts that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.

Respectfully submitted on
behalf of the members of the
Committee on Higher Education
and the Arts,

BRIAN T. TANIGUCHI, Chair
