

STAND. COM. REP. NO. 3329

Honolulu, Hawaii

APR 05 2016

RE: H.B. No. 2030
H.D. 1
S.D. 2

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committee on Commerce, Consumer Protection, and Health,
to which was referred H.B. No. 2030, H.D. 1, S.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO POLLUTION,"

begs leave to report as follows:

The purpose and intent of this measure is to prohibit the
discharge of treated or raw sewage into state waters after
December 31, 2049, except when used to create clean energy.

Your Committee received testimony in support of this measure
from the Hawai'i Fresh Water Council; Larry Jefts Farms, LLC; and
one individual. Your Committee received testimony in opposition
to this measure from the City and County of Honolulu Department of
Environmental Services and City and County of Honolulu Department
of Design and Construction. Your Committee received comments on
this measure from the Department of Health.

Your Committee notes that the testimony submitted in
opposition to this measure from the City and County of Honolulu
Department of Environmental Services and City and County of
Honolulu Department of Design and Construction pertain to H.B.
No. 2030, H.D. 1, a previous version of this measure.

Your Committee finds that the State's waters are a precious
resource that must be protected from pollutants. Decreasing
pollution of the State's water resources and protecting the
State's drinking water, streams, and oceans, are essential for the

health of Hawaii's residents and visitors. Your Committee further finds that it is also critical to allow residents cost-effective ways to utilize the State's water resources by using recycled or reclaimed water in beneficial ways, such as for agriculture, that adhere to the law.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Commerce, Consumer Protection, and Health that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2030, H.D. 1, S.D. 1, as amended herein, and recommends that it pass Third Reading in the form attached hereto as H.B. No. 2030, H.D. 1, S.D. 2.

Respectfully submitted on
behalf of the members of the
Committee on Commerce, Consumer
Protection, and Health,

ROSALYN H. BAKER, Chair
