

STAND. COM. REP. NO. **2432**

Honolulu, Hawaii

FEB 19 2016

RE: S.B. No. 2936
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committees on Water, Land, and Agriculture and Transportation and Energy, to which was referred S.B. No. 2936 entitled:

"A BILL FOR AN ACT RELATING TO LAND DISPOSITIONS,"

beg leave to report as follows:

The purpose and intent of this measure is to allow the Department of Transportation to negotiate the disposition of lands under its jurisdiction and control for aeronautical, airport-related, maritime, and maritime related operations without the approval of the Board of Land and Natural Resources and under certain conditions.

Your Committees received testimony in support of this measure from the Department of Transportation, Airlines Committee of Hawaii, Airport Concessionaires Committee, and Hawaiian Airlines. Your Committees received testimony in opposition to this measure from the Office of Hawaiian Affairs, Ka Lāhui Hawai'i Political Action Committee, and one individual. Your Committees received comments on this measure from the Department of Land and Natural Resources and Hawai'i Farm Bureau.

Your Committees find that numerous parcels of public lands have been set aside specifically for airport and harbor use and placed under the jurisdiction of the Department of Transportation, which is required to obtain approval from the Board of Land and Natural Resources prior to leasing any facilities located on such lands. Your Committees note that this approval process may cause

delays; however, there are concerns that public input and comment currently afforded through the Board of Land and Natural Resources' public hearing process would be bypassed if the Department of Transportation were to negotiate the disposition of these public lands under its control without prior Board approval.

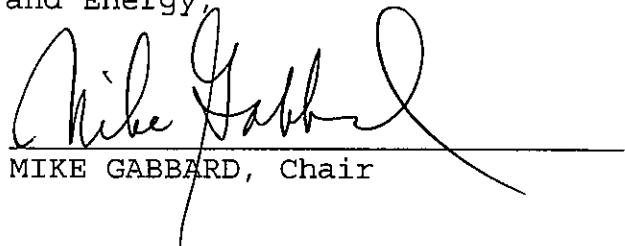

Your Committees have therefore amended this measure by:

- (1) Inserting a sunset date of July 1, 2021;
- (2) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Water, Land, and Agriculture and Transportation and Energy that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 2936, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 2936, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Water, Land, and
Agriculture and Transportation
and Energy,

LORRAINE R. INOUYE, Chair

MIKE GABBARD, Chair
