

STAND. COM. REP. NO. **2521**

Honolulu, Hawaii

**MAR 03 2016**

RE: S.B. No. 2975

Honorable Ronald D. Kouchi  
President of the Senate  
Twenty-Eighth State Legislature  
Regular Session of 2016  
State of Hawaii

Sir:

Your Committee on Commerce, Consumer Protection, and Health,  
to which was referred S.B. No. 2975 entitled:

"A BILL FOR AN ACT RELATING TO BLOOD GLUCOSE MONITORING,"

begs leave to report as follows:

The purpose and intent of this measure is to allow Department  
of Education employees to administer or assist students in  
administering blood glucose monitoring tests.

Your Committee received testimony in support of this measure  
from the Department of Health and eleven individuals.

Your Committee finds that blood glucose monitoring is vitally  
important to students with diabetes. Under certain circumstances,  
some students may require immediate assistance administering blood  
glucose tests. Allowing Department of Education employees to  
assist students with diabetes in administering such tests will  
help keep those students medically safe at school, while ensuring  
that volunteers who provide diabetes care or assistance will  
receive instruction in blood glucose monitoring from a qualified  
health professional and will be fully protected from liability.

As affirmed by the record of votes of the members of your  
Committee on Commerce, Consumer Protection, and Health that is  
attached to this report, your Committee is in accord with the  
intent and purpose of S.B. No. 2975 and recommends that it pass  
Third Reading.

Respectfully submitted on  
behalf of the members of the  
Committee on Commerce, Consumer  
Protection, and Health,

---

ROSALYN H. BAKER, Chair

The Senate  
 Twenty-Eighth Legislature  
 State of Hawai'i
