RE: S.C.R. No. 58

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committee on Ways and Means, to which was referred
S.C.R. No. 58 entitled:

"SENATE CONCURRENT RESOLUTION REQUESTING THE TAX REVIEW
COMMISSION TO EVALUATE INCOME TAX CREDITS, EXCLUSIONS, AND
DEDUCTIONS,"

begs leave to report as follows:

The purpose and intent of this measure is to request the Tax
Review Commission to conduct or commission a study that evaluates
all or certain state income tax credits, exclusions, and
deductions.

More specifically, this measure requests the Tax Review
Commission to review all state income tax credits, exclusions, and
deductions if possible. If this comprehensive review is not
possible, the measure requests the Commission to evaluate the
credits, exclusions, and deductions that result in the most
significant loss of state general fund revenues.

Your Committee received comments on this measure from the
Department of Taxation.

Your Committee finds that certain income tax credits,
exclusions, and deductions serve an important purpose for the
state economy. However, income tax credits, exclusions, and
deductions reduce state revenues. Despite a reduction in
revenues, state programs must still be paid for, which can place
an inequitable burden on the taxpayers that do not benefit from
such credits, exclusions, or deductions. Your Committee believes

that good tax policy requires the equal treatment of similarly-situated taxpayers for the sake of equity and efficiency.

Your Committee further finds that a Tax Review Commission is anticipated to be convened pursuant to Article VII, section 3, of the State Constitution. Duties of the Tax Review Commission include evaluating the State's tax structure and recommending revenue and tax policy. The 2005-2007 Tax Review Commission's review of certain general excise and use tax exemptions and deductions was greatly beneficial to subsequent Legislatures in crafting tax policy. Your Committee believes that a similar review that evaluates all or certain state income tax credits, exclusions, and deductions will be beneficial to future Legislatures in the same manner.

As affirmed by the record of votes of the members of your Committee on Ways and Means that is attached to this report, your Committee concurs with the intent and purpose of S.C.R. No. 58 and recommends its adoption.

Respectfully submitted on
behalf of the members of the
Committee on Ways and Means,

JILL N. TOKUDA, Chair

The Senate
 Twenty-Eighth Legislature
 State of Hawai'i
