The purpose of this informational briefing is to examine the state of healthcare, emergency and hospital services at Maui Memorial Medical Center, Kula Hospital and Lanai Community Hospital resulting from the delay in implementation of the anticipated transfer of Maui Region (HHSC) facilities to Maui Health System, LLC, a Kaiser Permanente affiliated hospital system, and examine proposed strategies to ensure patient safety and the continued delivery of high quality health care at these facilities.

The Committees have invited the leadership of Maui Memorial Medical Center, Kula Hospital, Lanai Community Hospital and Kaiser Permanente Hawai`i to inform the committees and the community of plans to ensure the continued delivery of high quality healthcare services and ensure patient safety during this prolonged transition which is not expected to occur until July 1, 2017.
