SB 2915, SD2, HD1
(HSCR1246-16)
Status

RELATING TO THE UNIFORM CONTROLLED SUBSTANCES ACT.

HLT, JUD, FIN

Updates the Uniform Controlled Substances Act to make it consistent with amendments in federal controlled substances law. Clarifies existing definitions to be consistent with federal controlled substance law; and adds new definitions to allow the use of "delegates" by practitioners and pharmacists to access the electronic prescription accountability system. Clarifies that individuals that conduct reverse distribution with controlled substances must register with the Department of Public Safety and follow appropriate controlled substance statutes and rules. Allows for the posting of updates to Hawaii's drug schedules on the department's website. Mandates that the collections of administrative fines be deposited into the controlled substance registration revolving fund to support the program. Deletes the requirement for a pseudoephedrine permit for transporting over 3 packages of pseudoephedrine. Requires that all practitioners, except veterinarians, and pharmacies register to utilize the electronic prescription accountability system when they obtain a controlled substance registration. Authorizes the Department of Public Safety Narcotics Enforcement Division Administrator to allow access to State, county, or federal regulatory agencies to the database when conducting joint regulatory investigations.
