<u>HB 1707</u> <u>Status</u>	RELATING TO HEALTH INSURANCE. Requires the insurance commissioner and health insurers, mutual benefit societies, and health maintenance organizations to make public disclosure of rate filings information prior to a rate increase. Requires health insurers, mutual benefit societies, and health maintenance organizations to disclose aggregated claims data to group purchasers upon request.	HLT, CPC, FIN
<u>HB 2482</u> <u>Status</u>	RELATING TO INSURANCE. Requires managed care plans to provide claims data at no charge to a large group purchaser if the large group purchaser requests the information and meets certain requirements.	HLT, CPC
<u>HB 1952</u> <u>Status</u>	RELATING TO INSURANCE. Establishes a dispute resolution process by which a dispute for a bill for emergency services or a surprise bill may be resolved. Specifies disclosure requirements for health care professionals and health care facilities, including estimated costs for health care services and information on participating provider networks. Specifies that an insured shall not be liable to a health care provider for any sums owed by an insurer. Specifies that an insurer who receives emergency services from a nonparticipating provider shall not incur greater out-of-pocket costs for the emergency services than the insured would have incurred with a participating provider. Specifies additional disclosure requirements for health insurance plans, including payment methodologies and updated participating provider directories. Requires health insurance plans to provide at least one option for coverage for at least eighty per cent of the usual and customary cost of each out-of-network health care service in inadequate network situations.
