## **BIOGRAPHY:**

**Ron Terry, Ph.D.**, earned a B.A. in Geography in [REDACTED] from the University of Hawai`i at Hilo. Supported by a National Science Foundation grant, he received a Ph.D. from Louisiana State University, also in Geography, in [REDACTED]. He was Assistant Professor of Geography at the University of Hawai`i at Hilo from 1987-1992. During his professorship he began his consulting business, and started full-time consulting in 1992. He remains an Affiliate Professor at UH-Hilo, and has been active in various boards and associations related to environmental science, including the Marine and Coastal Zone Management Advocacy Council (MACZAC), to which he was appointed by Governor Cayetano in 2000 and served till 2008, and the Mauna Kea Management Board, to which he was appointed for two terms 2004-2012. Terry has also served on the UH-Hilo Chancellor's Advisory Council and Chancellor Selection Committee, and is on the Board of the award-winning journal *Environment Hawai`i*.

## **COMMUNITY PRO-BONO PROJECTS:**

An important component of Geometrician Associates' work is pro bono projects, including the following:

- Forest Stewardship Grant for Ha`ola, Inc., (Panaewa Hawaiian Home Lands Community Association), 1998
- Special Permit for Edith Kanakaole Cultural Learning Center, Keaukaha, 2000
- Assisted Kua O Ka La Charter School in obtaining permits, 2002
- Assisted Hawaiian farmers in Hamakua to confirm farming rights in Conservation District, 2006
- Conducted Environmental Assessment for Kamoleao Laulima Community Resource Center Incubator Kitchen, 2009
- Biological Assessment for Na Kalae Wa'a Property, North Kohala, 2014
