

GENE ROSS DAVIS

OBJECTIVE | I would like to continue be the representing Hawaiian Homes Commissioner for Molokai, to ensure that the HHL beneficiaries and DHHL work together in administering the Policies and Programs of the HHC Act of 1920. To make sure that Molokai is not forgotten and to work with colleagues for the betterment of the beneficiaries of Molokai and the entire State of Hawaii.

SKILLS & ABILITIES | Able to bring together and work with all levels of Government. I have worked with the Federal Agency of Veterinary Services and the State Dept. of Ag, HHL Commission, Department of Education, State Legislature, Community Groups and others. This work culminated in statewide education and training in the areas of Hawaiian Homelands, beneficiary consultation, farming, water use, animal disease control, livestock transportation, networking, land development and agriculture.

EXPERIENCE | **OWNER: KAMALEI BY THE SEA**

2009 – PRESENT

I became an Independent contractor in 2009, I continued to perform this work for the State Dept. of Ag. as a Livestock Inspector. Oversight all scheduling/collaboration of work with farmers and State Veterinarians in disease surveillance programs on Molokai, and at State level. Issue necessary government forms, license and permits for government regulated/monitored programs. Manage compliance with County, State and Federal regulations.

In 2012, I opened a Fruit Stand to sell produce grown on my homestead, I opened the fruit stand to other beneficiary farmers produce to be economically viable.

DEPARTMENT OF AGRICULTURE:

2000-2009

As a Livestock Inspector for the State of Hawaii, Department of Ag... Oversight all scheduling/collaboration of work with farmers and Federal/State Veterinarians in disease surveillance programs on Molokai, and at the State level. Issue necessary government forms, license and permits for government regulated/monitored programs. Managed compliance with County, State and Federal regulations. Worked closely with all agencies staff to coordinate all necessary work and correspondence.

DEPARTMENT OF EDUCATION: SPED TEACHER

2013 -PRESENT

Work with students who have learning disabilities, behavioral challenges, and other related difficulties that require person to person / individualized teaching. Work with Department of Education Administration, Department SPED leaders, fellow teachers and Service Specialist ensuring proper individual education programs are determined and executed. Allowing maximum assessment and assistance for each student.
