Responsible for the accurate and timely budget and fund accounting and reporting for the School of Hawaiian Asian and Pacific Studies, School of Social Work, and the College of Social Sciences. Served as approving authority for fiscal and personnel actions, implemented policies established by the University, Federal and State Departments, and private foundations.

II. U.S. National Leadership Experience

(Service in national leadership roles while serving in professional positions.)

Board of Directors, American Association of Community Colleges July 2011–June 2014
Headquartered in the National Center for Higher Education in Washington, D.C., the American Association of Community Colleges (AACC) is the primary advocacy organization for community colleges at the national level. AACC is a member of "The Six" large, presidentially based associations and collaborates with a wide range of entities within the higher education community to monitor and influence federal policy.

Positions held in the AACC Board:

Executive Committee Member of the Board of Directors	July 2012–June 2013
Chair, Committee on Program Initiatives and Workforce Training	July 2012–June 2013
Commissioner, Economic and Workforce Development	July 2014–June 2015

Board of Directors, National Coalition of Advanced Technology Center January 2008 – December 2011
The National Coalition of Advanced Technology Centers (NCATC) has over 170 member institutions including community and technical colleges, universities and strategic corporate partners throughout the United States and Canada. NCATC represents a network of higher education resources that advocates and promotes the use of advanced technology applications that enhance economic and workforce development programs and services.

Positions held in the NCATC Board:

President	January 2010 – December 2010
Liaison to AACC Board of Directors	July 2011–June 2015

Board of Directors, National Asian Pacific Island Council January 2012 – December 2015
Established in 2007, the National Asian Pacific Islander Council provides a national body within which Asian/Pacific Islander constituents of community colleges can affiliate and identify in the interest of more effective education for Asian/Pacific Islanders.

III. Hawaii Leadership Experience

(Service in state and county leadership roles while serving in professional positions.)

University of Hawaii Representative, Workforce Development Council July 2015–Present
The State of Hawaii Workforce Development Council serves as an "information clearinghouse" for all workforce development programs in the State. The council is responsible for preparing and overseeing the comprehensive state plan for workforce development in the state of Hawaii and for advising the Governor on state policies and funding priorities that it believes should be adopted by the state government to address the unmet workforce and economic development needs across the state.

University of Hawaii Representative, Chamber of Commerce of Hawaii July 2013–Present
As the "Voice of Business" in Hawaii, the Chamber of Commerce Hawaii is a statewide, non-profit organization whose mission is to serve as the advocate for business in Hawaii.

Workforce Development and Education Committee	June 2013 - Present
Manufacturing in Hawaii Group	December 2013 - Present

Board Member, Oahu Workforce Investment Board

June 2011 – August 2015

The Oahu Workforce Investment Board collaborates with industry leaders and government to help Oahu's business grow, train and sustain a globally competitive workforce. Services are provided by the City's Oahu Worklinks system that operates the American Job Centers on Oahu.

Principal Investigator

July 2010 – July 2013

U.S. Department of Energy, Energy Delivery Technologies Division

"Intelligent Grid Management Curriculum Development Project", Award Number: DE-OE0000430

Developed a total of 6 academic and workforce training programs based on a national competency model for technicians in Intelligent Grid (Smart Grid) management. The program focused on system interoperability using internet protocol devices that monitor and control grid tied devices. The project was funded through the American Recovery and Reinvestment Act.

Board of Directors, Assoc. Information Tech/Professionals, Hawaii Chapter

Jan 2010 - Dec 2011

Since 1951, the Association of Information Technology Professionals (AITP) has been a resource to IT professionals for quality professional and self-development, technology and industry trends, and social networking. Serving the IT industry as a national organization through local chapters, AITP remains committed to delivering to its members the education, recognition, and credibility that will give them the competitive edge needed to succeed.
