

Peter Quigley, PhD Career Highlights

2009-present: Associate Vice President of Academic Affairs University of Hawaii Community Colleges

- ✚ Direct reports: Director Strategic Planning and Institutional Research, Director Workforce Development, Director Academic Programs;
- ✚ Created and now direct a process for academic system planning: strategic numbers review, program performance review, workforce regional needs review;
- ✚ Created and implemented a system wide Student Success Council;
- ✚ Work with Chancellors on Strategic Planning, accreditation, academic trends and initiatives; data implications, personnel;
- ✚ Work with state agencies on issues related to CCs: Dept of Labor, Dept of Economic Development, etc.
- ✚ Work with state agencies and private sector on issues of workforce development;
- ✚ Insure regular production of strategic performance indicators and pursue new analytics to see deeper into the organization;
- ✚ Work with academic officers to agree on common policies that promote completion/acceleration initiatives;
- ✚ Leader for bringing an OER initiative to the system to save students money;
- ✚ Developed dashboard rendering of strategic planning goals and progress indicators; http://uhcc.hawaii.edu/OVPCC/strategic_planning/index.php;

- ✚ Selected Academic and System Initiatives:
 - ✚ -Led innovation funding (\$950k) process for competitive faculty proposals; Achieving the Dream proposals ; part-time students initiative; student services initiatives;
 - ✚ -Part of lead team to initiate and deploy automatic admission and reverse transfer processes;
 - ✚ -Helped write and submit Lumina grant to upgrade reverse transfer process;
 - ✚ -Designed and supervised the “overlay project”: this structured pathways initiative connects the community college lower division curriculum to the top 30 transfer majors;

- ✚ -Researched and assisted in design and deployment of performance funding model for the community college system; \$6m to be earned by satisfying selected goals (graduation, transfer, STEM, etc.) of the strategic planning indicators;
- ✚ -Presentations: national presentations on performance-based funding, accountability measures, transfer; presentations to UH system on trends in higher ed presentations (economic alignment, etc);
- ✚ -Co-Director, Interstate Passport Initiative: I designed the Passport initiative which allows students to transfer their gen ed/core requirements to any other Passport institution as a block. I presented this initiative to the Gates and Lumina Foundations receiving \$2.8 million to finish designing the multi state Passport.
- ✚ Workforce Initiatives: -Proposed and then collaborated with Hawaii Community College construction program to build a net zero house and to raise the standard for the annual model home project. Brought leading green building educator/consultant for their use, secured funds for materials and appliances to insure they met net zero rating; -Forged agreement with Hawaiian Homelands based on the successful completion of the net zero Hawaii CC house. HHL now offeres land and financing to any campus in the system that would build a similar eco-driven model home;
- ✚ -Worked with Dept. of Labor to host Skills Summits for tech, nursing, agriculture, and other crucial workforce areas such as creative industries; I am a member of the WDC;
- ✚ -Collaborated with Dept. of Labor, congressional delegation, private sector and led workforce discussion resulting in successful grant submissions totaling over \$50 million in last 5 years; areas: health IT, alt energy, smart grid, etc. Won largest C3T grant in the nation;
- ✚ -Coordinate and lead faculty in system wide initiatives such as two sustainability summits that resulted in new BOR policy. Personally brought in funding sources to support the summit beyond the budget my office supplied:
<http://www.hawaii.edu/news/2013/04/05/first-hawaii-sustainability-summit-in-higher-education/>
- ✚ -Member and presenter at Jobs for the Future, State Policy Institute (20 state heads of education meet annually to discuss policy levers and trends), Achieving the Dream, Complete College America, Workforce Development Council member, member Governor's Aerospace Advisory Council, etc....

2012-2014: Executive Director, Hawaii Innovation Initiative

- ✚ Selected by the System President (MRC Greenwood) to lead her major executive initiative: HI2 is designed to double research funding in the system and build a research industry as an additional traded economy in the state. See, <http://www.hawaii.edu/innovation/>
- ✚ I developed the p.r. campaign, the rationale, worked with the private sector, presented to economic organizations, mayors, consulted with leaders at UCSD to learn the history and strategies of developing a science economy, and more; did

interviews with newspapers, organizations, TV, and radio.

2007-2009: Asst. VC/Interim Vice Chancellor of Academic Affairs
University of Hawaii, Manoa

- ✦ Led a prioritization project that involved the entire campus. With the aid of a 40 member committee, I prioritized 900 academic and nonacademic programs based on weighted performance metrics and mission centric metrics I created;
- ✦ Successfully organized the campus to be removed from special visit accreditation status;
- ✦ Organized the campus around re-accreditation efforts that led to a highly successful WASC visit;
- ✦ Created the institutional research office, the program review and student outcomes office for the university;

2004-2007: VC/Chancellor, Leeward Community College

- ✦ Designed system of integrated planning and budgeting: student learning outcomes, program review, and budgeting and planning interwoven to win the campus a clean accreditation review and get the campus removed from Warning status;
- ✦ Cultivated new industry partners;
- ✦ Presented the need and won expanded budget from the legislature;
- ✦ Developed rapid response workforce training action;
- ✦ Developed partnerships with Native Hawaiian business non profits (Mao Farms and Waianae Maritime Academy);
- ✦ Developed new degree in food security with MAO Farms;
- ✦ Balanced budget with a surplus;
- ✦ Identified 40k s.f. building in low income Native Hawaiian area as extension for Leeward College. Deal is finally being closed in 2013;
- ✦ Rewrote the LRDP which included a teacher education facility just completed in 2014;

2002-2004: Dean of Arts and Humanities
Minnesota State University

- ✦ Fund raising to save theatre from closure;
- ✦ Worked with CFO to redesign budget practice so deans could be accountable and entrepreneurial;
- ✦ Frequent "All College" presentations to all faculty on budget issues, opportunities, trends;

1980-2002: Professor, Chair and Dean of Academics/CAO
Dean 1998-2002 Embry Riddle Aeronautical University
