Michael has over 40 years of experience as an early childhood education/special education teacher and administrator. Hearing April 6, 2016 at 1:15 PM, Conference Room 229

Dear Chair Kidani, Vice Chair Harimoto and Members of the Education Committee:

My name is Robert G. Peters and I currently serve as the chair of the State Early Learning Advisory Board (ELAB) composed of 19 public and private members representing state departments, the early learning community, philanthropy, and the State university system. The ELAB was established to advise the Executive Office on Early Learning and speaks as an independent voice on issues related to child development as they relate to health, safety and learning for children from 0 – 5.

Michael Fahey is an excellent candidate for a continuing term as a member of the Early Learning Advisory Board. He brings over 40 years of experience as an early learning specialist along with experience in special education. His years with the DOE and key role in the development of the STEPS Program demonstrate his commitment to early learning and success of our *keiki*. His membership on the ELAB to date has demonstrated not only his breadth of knowledge but also his ability to work across agencies and partner with public and private organizations. I highly recommend the Committee confirm his nomination by the Governor to the ELAB.

Thank you for this opportunity to testify.

Re: **GM 605/GM 606 – Confirmation of Michael Fahey to the Early Learning Advisory Board -- SUPPORT**
Hawaii State Capitol, Conference Room 229 – April 5, 2016 – 1:15 PM

On behalf of Hawaii Children's Action Network (HCAN), formerly Good Beginnings Alliance, we are writing in strong support of GM 605 and GM 606 – confirming Michael Fahey to the Early Learning Advisory Board (ELAB) for consecutive terms.

We urge your support for Michael Fahey's confirmation to ELAB. Mike is currently a member of ELAB and has more than 40 years of experience as an early childhood education/special education teacher and administrator from teaching at the Pali Pre-school to leading the Department of Education's 619 special education pre-schools and Title 1 programs and now serving as a community engagement specialist for HCAN.

Mike has devoted an entire career to providing quality childhood services to Hawaii's young children and families. In addition to his service on the ELAB Board, he many decades of service leading and serving in the Hawaii Early Intervention Coordinating Council, Hawaii Association for the Education of Young Children and Special Parent Network Board.

Mike is deeply invested in the work of ELAB and his continued service will only benefit the state's commitment toward improving the quality, availability, and coordination of early childhood care and education programs serving young children in Hawaii.

For these reasons, HCAN respectfully requests that the committee support the advice and consent of GM 605 and GM 606 – confirming Michael Fahey to the Early Learning Advisory Board (ELAB) for consecutive terms.

Comments: Aloha Chair Kidani and members, I'm writing to urge your support for the advice and consent of Michael Fahey to serve out the remaining term of his appointment to ELAB and to serve a consecutive term through 6/30/2019. Mike has more than 40 years experience working on behalf of young children and their families in Hawaii, starting his career as a preschool teacher at Pali Preschool. He later went on to serve in various capacities including 17 years heading the DOE's 619 program for young children with special needs. Mike's selfless commitment and dedication to Hawaii's youngest and most vulnerable population makes him a natural choice to serve on the ELAB and continue his valuable service to our community. For these reasons, I humbly urge your committee's support for his confirmation. My best, Jeannine Souki
