Testimony for JDL on Apr 18, 2016 09:30AM in Conference Room 325

Submitted By	Organization	Testifier Position	Present at Hearing
Karin Nomura	Individual	Comments Only	No

Comments: While the name seems to be the same as a party I contacted in regards to harassment within the workforce and outside, approx. 6 years ago, as there is no information available, unsure if it is the same or not. If it is, than the assignment of a person who told me "harassment is a part of your job" and allowed kicking of walls/punching of walls to occur during our meeting, etc. As well as while I can understand wanting to keep employees who produce, if involved in harassment to the extent it was, without correcting the issue, would be an inappropriate candidate to strengthen a workforce.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
