## **TESTIMONY IN STRONG SUPPORT OF JAY ALAN RAYMUNDO**

For consideration and confirmation of the Gubernatorial Nominee, Jay Alan Raymundo to the Health Planning Council – West Oahu Subarea

### **Measure Title:**

Submitting for consideration and confirmation to the Health Planning Council – West Oahu Subarea Gubernatorial Nominee, Jay Alan Raymundo, for a term to expire 6-30-2017

To Honorable:

**Senator Rosalyn (Roz) Baker, Chair**  
**Senator Michelle N. Kidani, Vice Chair;**  
**And ALL Committee Members**

Honorable Members of the Senate Committee on COMMERCE, CONSUMER PROTECTION AND HEALTH

Good Good Morning and Aloha!

My name is Nancy Atmospera-Walch, principal owner, President, Chief Executive Officer, Chief Nursing Officer of ADVANTAGE Health Care Provider, Inc., a local company providing health care services and support to the Special Population - the Intellectually and Developmentally Disabled (I/DD) individuals in need of "Home & Community Based Health Care Services" on the Islands of Oahu, Maui and Kauai and a strong supporter of Jay Raymundo.

I am submitting this testimony in strong support of Jay Raymundo who was nominated by Governor David Ige to the Health Planning Council – West Oahu Subarea, because I could not find a more dedicated, compassionate and qualified candidate than Jay Raymundo.

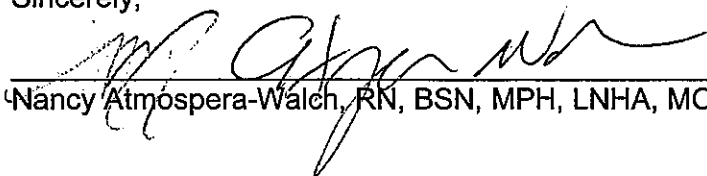

I know Jay Raymundo personally and I have worked with him professionally; therefore, I can speak with confidence that his attributes of fairness, integrity, honesty, empathy, collaboration and sincerity are just few of the benefits that he is bringing with him, if he is confirmed.

I firmly believe that Jay Raymundo would be an excellent member of the Health Planning Council – West Oahu Subarea for he has leadership experience in his capacity as the Chief Executive Officer of Aloha Habilitation Services. Under his watch, the business grew to an annual revenue of over four million dollars. He was an awardee of the Pacific Business News, Hawaii's Fastest 50 company in 2010 and was one of the finalists of the Young Professionals of the Year for the Pacific Edge Magazine. He has multiple Board memberships from community service to business and professional capacity. Such organizations are Wahiawa Center for Community Health, Filipino Chamber of Commerce of Hawaii, and the Hawaii Waiver Provider Association. Professionally he was just elected to the Board of the Junior Chamber International (JCI). He was also a past president of the Filipino Junior Chamber of Commerce.

Thank you for hearing this measure and for the opportunity to support my friend Jay Raymundo's confirmation to the Health Planning Council – West Oahu Subarea.

Sincerely,

---
