Comments: Aloha, my name is Melissa Pavlicek and I am writing in support of Leonard Licina's designation to the statewide Health Coordinating Council. I have known and worked closely with Leonard for more than 10 years, often on a weekly basis. He is a dedicated community leader who has a longstanding record of accomplishment in the area of mental health. He is a staunch health advocate whose principled positions on health policy are inspiring. He is diligent, hard-working, thoughtful, reflective and truly cares about people. I have personally observed his work as both the CFO and now the CEO of Kahi Mohala and know that he is smart, thorough and compassionate. About the only negative thing that I have EVER heard anyone say of Leonard regards his open affection for the Pittsburg Steelers. He is the kind of person who would never ask you to do something that he would not himself do. He would be a true asset to the statewide Health Coordinating Council. Please favorably consider Leonard Licina's appointment.
