Senator Rosalyn H. Baker
Chair, Commerce and Consumer Protection Committee
5th Senatorial District
Hawaii State Capitol, Room 231
415 South Beretania Street
Honolulu, HI 96813

Dear Senator Baker:

I am writing you in support of Snooky Fujikawa's continued appointment to the State Boxing Commission.

I have known Mr. Fujikawa for seven years. He trains my wife and me twice a week at his boxing gym. He is knowledgeable about the sport both inside and outside the ring. As a life long resident, Mr. Fujikawa knows the history of the sport in Hawaii. I am convinced that with his skills, boxing has an excellent chance of returning to its past prominence in our State.

Accordingly, I respectfully encourage you and your Committee to recommend that the Senate confirm Mr. Fujikawa's continued appointment to the State Boxing Commission.

Sincerely,

Bob Calvert
