and Members of the Senate
Twenty-Eighth State Legislature
Hawaii State Capitol, Room 409

Dear Senate President and Member of the Senate:

SUBJECT: Letter of Endorsement for Lieutenant Colonel Beverly Inocencio

It is with distinct pleasure that I am endorsing Lieutenant Colonel Beverly Inocencio to be appointed as a board member for the West Oahu Health Planning Council for Hawaii. I have known Beverly for over 15 years. She embodies the spirit of a servant leader and has advanced study in analyzing and researching public healthcare policy. She will represent the community of Hawaii well and will transform public programs that will foster the well-being of our communities.

There are three special traits that make Beverly the ideal board member for the Health Planning Council. First, she is a diplomatic, talented and innovative leader in the community who takes the initiative and tackles the tough jobs others shy away from. Second she is committed to the health and welfare of the constituents in the community. Third she is articulate in both oral and written communication. Beverly is a creative force and inspires all who come in contact with her. She has a natural ability to express complicated and technical information clearly and concisely.

Beverly Inocencio possesses the necessary advanced education, experience, and special skills to serve the West Oahu Health Planning Council. She is a United States Army combat veteran who served the country and diverse populations abroad; signifying that she is an agile and adaptable leader, clinician, officer and mother who understands the complex health challenges in a volatile, uncertain, complex and ambiguous environment.

Please feel free to contact me if you have any questions at phone number (808) 433-2517 or email hope.m.williamsonyounce.mil@mail.mil.

Sincerely,

Hope M. Williamson

Comments: Honorable Legislators, It is with great pleasure I endorse Dr. Beverly Inocencio to serve on the West Oahu Subarea Health Planning Council (WOSAC). Dr. Inocencio is a compassionate and skilled clinician whom I've known since 2000. Then, an Army Nurse Corps Officer, Dr. Inocencio demonstrated exceptional character and insight in caring for patients. I believe Dr. Inocencio will bring these qualities to this important position with the State Health Planning and Development Agency. I appreciate the opportunity to testify on behalf of this exceptional gubernatorial nominee.

I would like to submit my testimony on behalf of Beverly Inocencio for consideration to the Health Planning Council, West O'ahu Suabera. I have known Beverly since August of 2008 and she is not only an excellent officer in the United States Army but an outstanding nurse. Her dedication to the healthcare field is truly second to none. She has educated herself to levels many do not attempt to achieve in her field and will be an outstanding asset to the Health Planning Council.
