GM804, and GM 820, Nominations to the Hawaii Aerospace Advisory Committee

Dear Senator Nishihara,

This letter is to express support of the nominations submitted by the Honorable David Ige, Governor of the State of Hawaii, to the Hawaii Aerospace Advisory Committee as documented in the Governor's Messages listed above.

The aerospace industry is an important element of Hawaii's efforts to grow and diversify its economy; to employ local residents in highly skilled and well paid careers; to inspire the youth of Hawaii to pursue an education emphasizing science, technology, engineering and mathematics; and to advance our Nation's objectives in the exploration and understanding of outer space, as well as the furtherance of national security. It has been my privilege to offer my perspective from the vantage of private industry to help shape the trajectory of the future development of aerospace in Hawaii. I urge you and the membership of the Committee on Public Safety, Intergovernmental and Military Affairs to confirm the nominations to the Hawaii Aerospace Advisory Committee to allow this important work to continue.

Please feel free to contact me at any time if you should have any questions, or wish to discuss any matter.

Kindest regards,

Steve Skladanek

**RE: GOVERNOR'S MESSAGE NO. 820 CONSIDERATION AND CONFIRMATION
TO THE HAWAII AEROSPACE ADVISORY COMMITTEE, GUBERNATORIAL
NOMINEE, PETER QUIGLEY**

Chair Nishihara, Vice Chair Espero, and Members of the Committee:

The Chamber of Commerce Hawaii ("The Chamber") is in **support** of Mr. Peter Quigley's confirmation and appointment to the Hawaii Aerospace Advisory Committee.

The Chamber is Hawaii's leading statewide business advocacy organization, representing about 1,000 businesses. Approximately 80% of our members are small businesses with less than 20 employees. As the "Voice of Business" in Hawaii, the organization works on behalf of members and the entire business community to improve the state's economic climate and to foster positive action on issues of common concern.

Mr. Peter Quigley is currently the UH community colleges' associate vice president for academic affairs, overseeing workforce development, academic program planning, regional accreditation, and much more. Within the University of Hawaii system, Mr. Quigley previously served as interim vice chancellor for academic affairs at the University of Hawai'i at Manoa and chancellor at Leeward Community College. He has also served as dean of the College of Arts and Humanities at Minnesota State University and as dean of academics/chief academic officer at Embry Riddle Aeronautical University.

Peter Quigley's resume confirms his knowledge and passion. He will serve the Hawaii Aerospace Advisory Committee well. We appreciate the opportunity to provide our support for this nomination of Mr. Quigley.
